Dermis Probe:

The Dermis Probe Idries Shah,1989 *Dermis Probe* Idries Shah,1985-06-03 **The Dermis Probe** Idries Shah,2016

A serious yet entertaining look at the impediments in current thought which prevent certain forms of understanding between people The title story was made into an award winning film with script by Idries Shah and chosen as an Outstanding Film of the Year The Dermis Probe comprises a collection of extracts from the written and oral tradition of Eastern thinkers In his preface Shah notes In this book you can find illustrated some of the peculiarities of thought in the country which is today s world seen by its inhabitants and by those who call themselves visitors **Idries Shah Anthology** Idries Shah,2019-04-28

In his writing about Sufism Idries Shah did some revolutionary things Critically and almost alone he said that it was possible to divorce the essence of Sufi philosophy from what he insisted were secondary accretions of islamic culture and religion Moreover he said in making this material available to the West you could not only do this you must do it This is because he believed you can only absorb materials that are designed for your own time and place Sufism as an essence may be truth without form but in order to penetrate into the human mind it must be delivered in a package shaped to fit the receiving culture When something new enters a culture there is a period where like a new object being thrown into the chimpanzee pen at a zoo all the chimps rush over to touch it throw it on the floor fight over it and so on he once told me We must wait until the dust settles only then will people be in a position to assess this material My father died in 1996 and the dust is settling fast He leaves a body of work behind and on this work alone he believed he should and would be judged This anthology is intended to provide a basic sample of his work an essential reader to allow people to do exactly what he would have wished them to do to think for themselves and to make up their own minds From the Editor s Note by Saira Shah

Special Illumination Idries Shah,1977 These lines by the great teacher and mystic Jalaludin Rumi indicate the many faceted role of humor in Sufi teaching Shah writes As a shock applier and tension releaser and an indicator of false situations humour certainly to the Sufi in traditional usage is one of the most effective instruments and diagnostic aids Not only are the 60 jokes contained in this volume representative of the type of material used in Sufi development but their selection arrangement and presentation comprise an actual learning experience for the modern reader Shah weaves contemporary jokes humorous anecdotes and stories with skillful commentary The result is an a entertaining journey which mixes laughter introspection and surprise **The Elephant in the Dark** Idries Shah,1974 As our world continues to shrink we are being brought headlong into often explosive contact with other cultures and religions Islam continues to be for many a mysterious and misunderstood force alien to our own cultural values Yet in more ways than expected Christianity and Islam share common ground For centuries Sufi thinkers have been linked to both religions in certain important ideas But like the elephant in the dark in Jalaludin Rumi s classic fable these ideas are not grasped in full by seizing parts of the whole and arguing for or against their supposed Christian or Islamic derivation From a series of lectures given by Idries Shah at Geneva

University The Elephant in the Dark shifts focus to more fruitful ground tracing documented episodes of cooperation and understanding between Christians and Moslems over the past 1 400 years Idries Shah Documentation ,1977 *Acta Dermato-venereologica* ,1996 **Proceedings of the Scientific Meetings of the Zoological Society of London** ,1901 **Transactions** Bose Research Institute (Calcutta, India),1923 *Paper* ,1970 **Six Seconds to True Calm** Robert Simon Siegel,1996-03 Provides clear cut methods and exercises to convert stress into insight and vitality *The Physiology of the Ascent of Sap* Jagadis Chandra Bose,1923 *Transformations* ,1984 **Medical Standard and North American Practitioner** ,1922 A manual of surgical treatment, by W.W.
