Baptism Michael Green,1987-01-01 *Recovering the Evangelical Sacrament* Anthony R. Cross,2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments liturgy worship and ecumenical studies and within confessional bounds credobaptist or paedobaptist yet it is rarely discussed by Evangelicals This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel He argues that the one baptism of Ephesians 4 5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post Christian post Christendom mission setting Invitation to Theology Michael Jinkins,2015-07-18 Are you intimidated by theology Confused Bored Michael Jinkins knows it doesn t have to be that way Theology is our critical and prayerful reflection on the totality of life he writes We all do theology on a regular basis whether or not we are conscious of the fact In *Invitation to Theology* Jinkins offers a knowledgeable helpful and caring guide to walk you through the basics of the Christian faith Following the pattern of the ancient summary of the Christian faith the Apostles Creed Jinkins highlights the key doctrines of God Jesus Christ the Holy Spirit humanity church salvation and resurrection He cuts a clear path through theological terms traditions and debates And in the spirit of C S Lewis he invites you to consider some of the most profound reflections from the distant past to the present day on Christian belief Throughout this fascinating journey the main road is always kept in view The meaning and shape of our life together as a community of persons is grounded in the inner life of God the Trinity and has been revealed to us in the life death and resurrection of Jesus Christ If you are eager to think about your faith to examine what and why you believe and to reflect on how such faith can be lived out in our world *Invitation to Theology* is the book for you **Systematic Theology/Historical Theology Bundle** Wayne A.
