July 1, 1876-Dec. 31, 1910 ,1941 **Stories of American Life and Adventure** Edward Eggleston,1895 1895 American novelist and historian Eggleston s novels depicting early life in southern Indiana have been widely read The design of this volume is laid out in the Preface This book is intended to serve three main purposes One of these is to make school reading pleasant by supplying matter simple and direct in style and sufficiently interesting and exciting to hold the reader s attention in a state of constant wakefulness that is to keep the mind in the condition in which instruction can be received with the greatest advantage A second object is to cultivate an interest in narratives of fact by selecting chiefly incidents full of action such as are attractive to the minds of boys and girls whose pulses are yet quick with youthful life The early establishment of a preference for stories of this sort is the most effective antidote to the prevalent vice of reading inferior fiction for mere stimulation But the principal aim of this book is to make the reader acquainted with American life and manners in other times See other titles by this author available from Kessinger Publishing Illustrated Catalogue and Classified Book List of the Northwestern Library Association ...
