Baseball Firsts:

Baseball's Book of Firsts Lloyd Johnson,2008-02 **Baseball's First Inning** William J. Ryczek,2009-04-29 This history of America s pastime describes the evolution of baseball from early bat and ball games to its growth and acceptance in different regions of the country Such New York clubs as the Atlantics Excelsiors and Mutuals are a primary focus serving as examples of how the sport became more sophisticated and popular The author compares theories about many of baseball s inventors exploring the often fascinating stories of several of baseball s oldest founding myths The impact of the Civil War on the sport is discussed and baseball s unsteady path to becoming America s national game is analyzed at length Moments in Baseball History Mark R. Brewer,2022-11-29 No other sport can begin to compare to the rich history and statistical record of baseball It is part of what makes the game so alluring In *Moments in Baseball History* Mark R Brewer examines twenty two memorable games and the player at the center of that game It should prove a feast for baseball fans *The Louisville Grays and the Myth of Baseball's First Great Scandal* Wendell Lloyd Jones,2024-05-23 The National League was in its second season of existence in 1877 In mid season the Louisville Grays suddenly took the league by storm and by mid August were considered a lock to win the pennant Then disaster struck The Grays fell out of first place and the pennant was lost Suspensions were high that the club had sold out to gamblers Three players were tricked into confessing to the selling of exhibition games and were blacklisted from the sport along with a fourth player who refused to cooperate with the investigation Since then historians have presented a simple narrative about how the Grays sold the pennant to gamblers how that treachery was discovered and the steps that followed However none of this is true For nearly 150 years the story of the Louisville Grays has been told and the story has been wrong For the first time the objective evidence that was there all along is examined in comparison to the narrative that has been told about the Grays The evidence shows the Grays did not sell the pennant they simply lost it This is the story of how Major League Baseball s first great scandal never truly happened
