Baseball's Greatest Players Today Jack Orr, 1963 Major League Baseball's Greatest 150 Individual Pitching Seasons Jeff Wing, 2001 When Pedro Martinez won his first Cy Young Award with the Boston Red Sox in 1999 many people in the baseball world claimed it to be one of if not the greatest pitching achievement of all time Though a remarkable campaign it hardly ranks as the greatest ever This book lists in order the top 150 pitching performances for a single season between the years 1900 1999 Based on the grading system developed for this book Pedro s season ranks as the 45th best season for a pitcher Who is the greatest pitcher in the history of baseball Is it Walter Johnson or Christy Mathewson Some may argue for Roger Clemens or Nolan Ryan The debate as to the best ever will continue but the chapter comparing pitchers of today and yesteryear will offer some new insights This book will truly interest the baseball enthusiast because it offers clear and interesting data Plus the measuring stick used for the rankings is not based on opinion potential or favoritism but rather on fair and unbiased criteria Eighty seven pitchers biographies included from the famous to the one season wonders make up the list of the greatest 150 pitching seasons Included as well are brief summaries of an additional 130 pitchers **Sixty-One in '61** Robert M. Gorman, 2019-11-08 Much has been written about Roger Maris and the historic summer of 1961 when he broke Babe Ruth s single season home run record yet little is known about the pitchers on the other side of the tale One of the many knocks against Maris was that he faced inferior pitching in an American League watered down by expansion from eight to 10 teams But was that really the case Did Maris face has beens and never weres while Ruth confronted the cream of AL pitching Who were these starters and relievers and how good were they Drawing on first hand accounts interviews and a range of contemporary sources this study covers each of Maris 63 home runs that season including the lost one and his game winning World Series dinger Biographies of each of his 48 victims cover the pitcher s career pitching style and the circumstances of the game Maris faced some really fine pitching that summer despite what many contended then and now

Greatest Baseball Players of All Time Tom Owens, 1990 Stories and pictures of baseball s 300 best players past and present *Roger Maris* Tom Clavin, Danny Peary, 2010-03-16 Tom Clavin and Danny Peary chronicle the life and career of baseball s natural home run king in the first definitive biography of Roger Maris including a brand new chapter to commemorate the fiftieth anniversary of his record breaking season Roger Maris may be the greatest ballplayer no one really knows In 1961 the soft spoken man from the frozen plains of North Dakota enjoyed one of the most amazing seasons in baseball history when he outslugged his teammate Mickey Mantle to become the game s natural home run king It was Mantle himself who said Roger was as good a man and as good a ballplayer as there ever was Yet Maris was vilified by fans and the press and has never received his due from biographers until now Tom Clavin and Danny Peary trace the dramatic arc of Maris s life from his boyhood in Fargo through his early pro career in the Cleveland Indians farm program to his World Series championship years in New York and beyond At the center is the exciting story of the 1961 season and the ordeal

Maris endured as an outsider in Yankee pinstripes unloved by fans who compared him unfavorably to their heroes Ruth and Mantle relentlessly attacked by an aggressive press corps who found him cold and inaccessible and treated miserably by the organization After the tremendous challenge of breaking Ruth's record was behind him Maris ultimately regained his love of baseball as a member of the world champion St Louis Cardinals And over time he gained redemption in the eyes of the Yankee faithful With research drawn from more than 130 interviews with Maris's teammates opponents family and friends as well as 16 pages of photos some of which have never before been seen this timely and poignant biography sheds light on an iconic figure from baseball's golden era and establishes the importance of his role in the game's history *Less Is More* Donna J.
