Adventure Tourism Management Ralf Buckley, 2011-01-03 The academic study of adventure tourism is rapidly increasing in popularity with research beginning to focus on it heavily This book is a cohesive and comprehensive look at this multi million dollar industry sector from a variety of perspectives relevant to the teaching of tourism Ideal for the undergraduate student taking adventure tourism as a single subject degree or as part of their tourism management studies this book documents analyses and offers insight into the latest research in the area Includes analysis of products trends climate change risk management and environmental management and many others The Subsectors section within the book offers an overview of the twenty or more definable sectors within the adventure tourism industry considering their origins and history latest trends and demographic groups The author then goes on to look in more detail at Wildlife Tourism Marine Tourism Helitourism and Boardsports Each chapter will include seven pedagogical elements introduction what the chapter does and doesn't cover plain language review of the chapter topic with minimal referencing essentially like lecture notes concluding paragraph to the review section explaining how it leads to the next chapter's review of recent research condensed into tables where possible revision notes a few pages of bullet points summarising the review and research a sample set of assignment questions three to six per chapter in some cases readings on relevant topics condensed from previous publications

UFOs Richard Hantula, Isaac Asimov, 2004-12-15 Briefly discusses facts and fantasies about unidentified flying objects

Chariots of Gods or Demons? James Edward Gilmer, 2002-08-01 Chariots of Gods or Demons flies galaxies beyond traditional books on UFOs and extraterrestrials It addresses the many puzzling issues relating to extraterrestrial visitors in a clear enlightening and even inspiring manner Instead of simply listing UFO sightings posing the usual questions and suggesting unsupported answers it poses the tough questions delivers the answers and backs them up with solid evidence Where do UFOs come from Why are they here Where are their bases These are just a few of the questions answered by this book Chariots of Gods or Demons reveals little known facts about extraterrestrials the universe around us and mankind itself Our origin and development as a species our relationship with extraterrestrials and attitudes that limit our growth are among the topics discussed Chariots of Gods or Demons is must reading for beginners or experts the curious or die hard enthusiasts No other book offers such a fountain of facts and revelations on this topic And finally no other such book can change your attitudes about life the way this one can

Close Encounters Laura K. Guerrero, Peter A. Andersen, Walid A. Afifi, 2013-03-05 Taking a relational approach to the study of interpersonal communication this best selling text helps students better understand their relationships with romantic partners friends and family members The authors offer research based insights and content illustrated with engaging scenarios to show how state of the art research and theory can be applied to specific issues within relationships

with a focus on issues that are central to describing and understanding close relationships While maintaining the spotlight on communication the authors also emphasize the interdisciplinary nature of the study of personal relationships by including research from such disciplines as social psychology and family studies The book covers issues relevant to developing maintaining repairing and ending relationships Both the bright and dark sides of interpersonal communication within relationships are explored
