Congratulations You are about to separate yourself as an athlete I absolutely LOVE helping athletes just like you in preparing both physically and mentally so that you can set yourself up to achieve great success in sport and life I realized through my own life and in coaching athletes for over 12 years that most athletes have big dreams goals and ambitions and are just one step away from making those dreams goals and ambitions a reality Having a dream is usually not the problem the problem is having the RIGHT game plan and executing the essential action steps to make those dreams a reality If You Want Something You ve Never Had You ve Got To Do Something You ve Never Done and Do It Every Day Success or failure is not just some big event that happens one day Michael Jordan did not just wake up one day as the greatest basketball player ever Dylan Bundy did not just become the top pitching prospect in MLB right out of high school by chance Alex Rodriguez was not projected as the greatest baseball player ever to now being labeled as a player who chokes in the postseason Tiger Woods did not go from being projected as the greatest golfer ever to become a fallen star by accident The Secret to real aTHLETE SuCcess 6 Success and failure are about the things or lack of things that YOU DECIDE to do or not do day in and day out SUCCESS in athle tics or in Life is Simple It takes ONLY two things 1 You MUST Create the Winning Mindset so that you can unlock your full potential as an athlete and become dominate in your sport and in life 2 You MUST have the RIGHT game plan and you MUST execute the RIGHT daily action steps of that game plan every single day This book will provide you with the RIGHT 27 day game plan so that you can achieve greatness in your athletic career and in life I will coach you on how to unlock the power of your mind so that you can WIN each and every day and get what you desire as an athlete You can now play at the next level start dominating and become a successful athlete You can now stop wishing and hoping but rather have a certainty that you WILL succeed How do I know Because I did exactly that Utilizing the same 27 day game plan that you have right here I was able to pull myself out of a deep personal tragedy and create lasting success in my life With this same game plan I was able to land my first job as the Director of Strength Conditioning at the NCAA Division I level before I even graduated from college With this same game plan I was able to open my dream sports performance facility Dynamic Sports Development and over the last 12 years have been fortunate and blessed to train some of the top athletes in the entire world By implementing this same game plan at the age of 29 I was named Tulsa s Young Entrepreneur of the Year was selected as one of Oklahoma s 30 under 30 Entrepreneurs and was also selected as one of Oklahoma s 40 under 40 Entrepreneurs

Inspiration 7 With this same game plan I have been able to assist athletes of all levels achieve greatness in their respective sports and in life Is this luck Heck no I tell you this because if I an Italian kid from the Jersey shore with no success background can do it then you can too If this same game plan has helped thousands of athletes achieve greatness in their sports and in their lives then it will work for you as well This book is short simple and everything you need to know to be successful as an athlete and in life The Secret to REAL Athlete Success will not work for you unless you work it This one book has the potential to absolutely Take Your Game to the Next Level and set you up to WIN Are You Ready If so then I have just one more question for you If you want something you ve never had you ve got to **Win** Lee Mj Elias,2016-12-23 2017 NORTH AMERICAN BOOK AWARD WINNERThe Essential Strategies Every Coach Needs to Create a Championship Culture and Win You need tactics and talent to win What if I told you there was another piece to the puzzle that was just as necessary if not more so to become a champion In this book you ll get the answer and the insider s view from a championship coach on how to create a championship culture Not just one season but time after time whether you have the best tactics and talent or not WIN sets up the winning strategies every coach must know For any sport WIN will show you the step by step approach to building a team that can win championships From practice plans to team building exercises to setting the attitudes of players and coaches this is a tell all guide from one of the best Create and maintain an impenetrable team bond Understand how to place players in the perfect role for them to thrive Choose team leadership that allows you to coach more effectively and win more often Form a cohesive unstoppable coaching staff Use adversity as an advantage rather than a disadvantage Survive and break losing streaks with a high frequency of success Lee Elias has applied these techniques to turn around downward slides with multiple teams He holds nothing back sharing easy to implement strategies for coaches of all levels I ve played for several coaches over my playing career The ones that have found success all understood the concepts written in this book Bryce Salvador former NHL Captain New Jersey Devils and Player New Jersey and St Louis Talent and tactics are needed to win However most coaches don t realize there are other equally important elements to creating a champion This is the first book I ve read that explains those principles in an easy to understand way If you want to build a championship caliber team this is a must read Pavel Barber hockey stickhandling specialist and three time Canadian National Athlete Coaching Dennis C.
