Lonnie Davis Wesley, III

Baptist Deacon:

The Baptist Deacon Robert E. Naylor, 1998-11 This book comes straight from the heart of a pastor who has had deacons for breakfast dinner and supper for as long as he can remember The son of a Baptist minister Dr Naylor was influenced from childhood by men in this noble office of divine origin His own twenty five years in the Baptist ministry and his successful work with deacons in many churches large and small well qualify him to write this long needed book **What Do Deacons Do?** Juan R. Sanchez, 2022-03-14 Concise Scripture Centered Guide Addresses Common Questions about Diaconal Service in the Church Many new believers have questions about what it means to live as a Christian in the context of a local church and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life Church Questions is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment In this concise booklet Juan Sanchez explains the essential role deacons play in the life of the church He addresses topics such as why churches need deacons how deacons carry out their role who is eligible to be a deacon and how diaconal service exemplifies the character of Christ Valuable for church leaders and members alike this resource helps readers understand what the Bible has to say about this important church office and why its ministry is indispensable A Great Resource for Congregations and New Believers Helps readers think more biblically about the Christian life and faithfulness in a local church Accessible and Practical Small shareable booklet includes helpful applications for individuals and churches Part of the Church Questions Series Created in Partnership with 9Marks The Seven Lonnie Davis Wesley, III, 2020-11-11 Do you know what it means to be a deacon Is this office in the church still relevant today Dr Lonnie Davis Wesley believes that deacons have an important role to play but that church traditions and failures in leadership and education have often made deacons ineffective or given them tasks to which they are not called and for which they are not equipped He goes back to the first deacons chosen and set apart in Acts 6 for a model for the ministry of deacons in the modern church In doing so he finds that we need to re learn and re apply the lessons of scripture and history so that the church can be fully effective in ministry The Seven Taking a Closer Look at What It Means to Be a Deacon is a comprehensive guide to reforming and recharging your church s deacon ministry It includes guides to help you develop an education program to prepare deacons for ministry and to aid your congregation in supporting that ministry This book may be read by individuals but it will find its greatest use as a tool for building a strong deacon ministry in any congregation *Deacons in Today's Black Baptist Church* Marvin Andrew McMickle, 2010 What does it mean to be a deacon in the black Baptist church today What personal qualities should a candidate for deacon possess What does the ministry entail What relationship should exist between the pastor and deacons What does Scripture say about the origins of the office of the deacon How has the historical context of being black and Baptist in American influenced the evolution of that office How do

we fulfill the scriptural purposes of a deacon ministry in our local black Baptist churches today Rev Dr Marvin McMickle explores these issues and more in this practical resource for today's church leaders **The Emerging Role of Deacons** Charles W. Deweese, 1979 A summary of the biblical historical and practical role of deacons in the church *The Ministry of a Baptist Deacon* Paul Chappell, 2010-11-15 A godly deacon is a great asset to the work of God His servant leadership benefits the entire church family and his support and care for the pastor is invaluable The Ministry of a Baptist Deacon is written for local church deacons who desire to invest themselves in the work of God and give themselves to the service of God's people It is designed as a handbook to equip deacons as servant leaders This two part manual scripturally defines the office and responsibilities of a deacon as well as providing practical helps for local church ministry This book also includes several appendices with sample forms financial procedures and a sample church constitution *Now That You're a Deacon* Howard B. Foshee, 1975-10-16 A combination of practical guidance and inspiration on character relationship to church and pastor stewardship missions and more Women Deacons and Deaconesses Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons

Deacon Relationships Through the Body of Christ Donald E. Ledbetter, 2009-05 Be the leader God intended you to be Churches often elect deacons and fail to give them the training they need to accomplish their task assuming that if one is qualified to become a deacon he doesn't need training This assumption has proven injurious both to the individual deacon and to the body of Christ Dr Ledbetter is one of the most qualified leaders in the Southern Baptist Convention to assist deacons in becoming the leader God intended them to be As a pastor he worked with deacons in four growing churches Since entering evangelism in January 1984 he has conducted several hundred deacon retreats in both small and large churches across America in addition to conducting revivals To be an effective leader a deacon must have a right relationship with Christ his family his church his pastor and with himself This book discusses each of these relationships and provides spiritual insights that will help not only deacons but every Christian leader to become all God intended them to be **Deacons** Matt Smethurst, 2021-03-30 How Can Deacons Mobilize Service in the Church Deacons are essential to a church's health yet confusion abounds regarding their biblical job description What's their God-given role in a local congregation and how do they relate to the church's overall mission In this short book Matt Smethurst makes the case that deacons are model servants called to meet tangible needs organize and mobilize acts of service preserve the unity of the flock and support the ministry of the elders Clearing away common misconceptions Smethurst offers practical guidance for deploying deacons and helping
