Bargaining For Results:

Bargaining for Results John Winkler,1983 Suggests a variety of bargaining techniques to use in order to achieve a favorable outcome in a business negotiation

Negotiation Genius Deepak Malhotra,Max Bazerman,2008-08-26 From two leaders in executive education at Harvard Business School here are the mental habits and proven strategies you need to achieve outstanding results in any negotiation Whether you ve seen it all or are just starting out Negotiation Genius will dramatically improve your negotiating skills and confidence Drawing on decades of behavioral research plus the experience of thousands of business clients the authors take the mystery out of preparing for and executing negotiations whether they involve multimillion dollar deals or improving your next salary offer What sets negotiation geniuses apart They are the men and women who know how to Identify negotiation opportunities where others see no room for discussion Discover the truth even when the other side wants to conceal it Negotiate successfully from a position of weakness Defuse threats ultimatums lies and other hardball tactics Overcome resistance and sell proposals using proven influence tactics Negotiate ethically and create trusting relationships along with great deals Recognize when the best move is to walk away And much much more This book gets down and dirty It gives you detailed strategies including talking points that work in the real world even when the other side is hostile unethical or more powerful When you finish it you will already have an action plan for your next negotiation You will know what to do and why You will also begin building your own reputation as a negotiation genius
