Cloud Of Unknowing And The Of Privy Counseling:

The Cloud of Unknowing William Johnston, 2012-01-11 THE CLOUD OF UNKNOWING and THE BOOK OF PRIVY COUNSELING are the first explorations in the English language of the soul's quest for God. Written in Middle English by an unknown fourteenth century mystic, THE CLOUD OF UNKNOWING expresses with beauty a message that has inspired such great religious thinkers as St John of the Cross and Teilhard de Chardin, as well as countless others in search of God. Offering a practical guide to the life of contemplation, the author explains that ordinary thoughts and earthly concepts must be buried beneath a cloud of forgetting while our love must rise toward a God hidden in the cloud of unknowing. THE BOOK OF PRIVY COUNSELING also included in this volume is a short and moving text on the way to enlightenment through a total loss of self and a consciousness only of the divine. William Johnston, an authority on fourteenth century mysticism and spirituality, provides an accessible discussion of the works, detailing what is known about the history of the texts and their author. In a new foreword, Huston Smith draws on his extensive knowledge of the varieties of religious experience to illuminate the relevance of these works for contemporary readers. The Complete Cloud of Unknowing John Julian, 2015 The Christian mystical tradition has its roots in Holy Scripture but was enunciated most clearly by the late 5th century author writing under the name Dionysius the Areopagite. It was acquaintance with the medieval version of that work which inspired the anonymous author of The Cloud of Unknowing and led him to develop his insights and perceptions of the obscurity and unknowability of God. His understanding was that God was on an entirely different plane of existence from human beings, indeed so different that time-bound human language was inadequate to describe God exhaustively or accurately. Intellect and emotion both fail in seeking God, who can only be encountered by rejecting of all common earthly means in a cloud of forgetting and the discovery of Godself in the dark cloud of unknowing, which can be pierced only with a lance of longing love.

The Cloud of Unknowing and the Book of Privy Counselling (ed. Johnston) Johnston, The Cloud of Unknowing and Other Treatises [The Epistle of Privy Counsel] Justin McCann, 2014-02 2014 Reprint of 1952 Revised Edition Full facsimile of the original edition. The Cloud of Unknowing is an anonymous work of Christian mysticism written in Middle English in the latter half of the 14th century. Along with The Cloud were written six accompanying treatises. Chief among these is Epistle of Privy Counsel, which is also reproduced in this text. The Cloud is a spiritual guide on contemplative prayer. The underlying message of this work proposes that the only way to truly know God is to abandon all preconceived notions and beliefs or knowledge about God and be courageous enough to

surrender your mind and ego to the realm of unknowingness at which point you begin to glimpse the true nature of God The book counsels a young student to seek God not through knowledge and intellection faculty of the human mind but through intense contemplation motivated by love and stripped of all thought This is brought about by putting all thoughts and desires under a cloud of forgetting and thereby piercing God s cloud of unknowing with a dart of longing love from the heart This form of contemplation is not directed by the intellect but involves spiritual union with God through the heart **The Cloud of Unknowing** Clifton Wolters,1961 And therefore take good heed unto time how that thou dispendest it for nothing is more precious than time In one little time as little as it is may heaven be won and lost A token it is that time is precious for God that is given of time giveth never two times together but each one after other And this He doth for He will not reverse the order or the ordinal course in the cause of His creation For time is made for man and not man for time **The Cloud of Unknowing** The Author of The cloud of unknowing,1964 **Cloud of Unknowing; and, The Book of Privy Counselling** Phyllis Hodgson,1944 The cloud of unknowing Phyllis Hodgson,1944 **The Cloud of Unknowing, and Other Treatises** Augustine Baker,Justin McCann,1924 The Cloud of Unknowing and Other Treatises by an English Mystic of the Fourteenth Century Justin McCann,1924 The Cloud of Unknowing Justin McCann,1964 **The Mysticism of The Cloud of Unknowing** William Johnston,2000 The Cloud of Unknowing was the work of an unknown 14th century English writer with a powerful message of God s unconditional love in the face of despair Johnston s theological treatment of this and other works by the same writer makes a conscious comparison with Oriental ways of contemplation **History of Non-dual Meditation Methods** Javier Alvarado Planas,2014-08-29 The aim of this book is to study certain meditation methods followed not only by religious traditions or metaphysical movements that are still alive nowadays like Advaita Vedanta Kabbalah within the Jewish tradition Christianity or Islam particularly Sufism but also practiced by other currents or schools that even though already gone significantly influenced the West This is the case of Neoplatonism or Stoicism whose influence was felt by ancient and medieval Christianity or Greco Egyptian Hermetism which played an important role in the European cultural Renaissance from the 15th century on A special consideration has been given to Christian tradition introducing some of the most representative authors of recollection and their meditation methods Este libro tiene por finalidad el estudio de ciertos m todos de meditaci n seguidos no solo por tradiciones religiosas o movimientos metaf sicos que contin an vivos actualmente como el vedanta advaita la c bala en la tradici n jud a el cristianismo o el isl m particularmente el sufismo sino practicados tambi n por otras corrientes o escuelas que aunque ya desaparecidas influyeron significativamente en Occidente Es el caso del neoplatonismo o del estoicismo cuya influencia se dej sentir en el cristianismo antiguo y medieval o del hermetismo greco egipcio que tuvo un papel destacado en el Renacimiento cultural europeo a partir del siglo XV Especial consideraci n se ha dado a la tradici n cristiana mostrando algunos de los autores m s representativos del recogimiento y de su m todo de meditaci n *The Cloud of Unknowing and Other Works* ,2001-08-30 Contains The Cloud of Unknowing The
