Coaching 6 7 8 Year Olds:

Coaching 6, 7 and 8 Year Olds Tony Waiters, 2010-09-17 WHY WE HAVE CHANGED The first edition of Coaching 6 7 8 Year Olds was written in collaboration with Bobby Howe at that time the Director of Coaching for the Washington State Youth Soccer Association later Director of Coaching for the United States Soccer Federation That was a long time ago 1988 One year later we published Coaching 9 10 11 Year Olds Until recently we hadn t changed a word in either of them Why Like the Energizer Bunny they just kept on going and going and going Over 100 000 copies of each of the originals have been sold As I m sure you would understand we were reluctant to change Consequently nothing did except the photographs of the two authors The book didn t age but the authors did Since 1989 we have learned so much So now it is time to change in order to update and improve the books but at the same time we will retain much of the core content that has worked so well The 21st Century has given us another great technological opportunity digital printing We are now able to customize modify and change the content of the manuals and the covers at will We can update with every printing And we can print just one book or 1000 So if for instance the Lake Washington Youth Soccer Association wants their version of Coaching 6 7 8 Year Olds we can do it If the Franklin Pierce Club only needs 10 customized copies of 9 10 11 Manual for the coaches of their small club we can do that too And if we come up with the newest game that children think is a blast we can insert that in the very next print Tony Waiters Coaching 5, 6, 7, 8 Year Old Soccer M. Alo, 2017-04 It s all about the statistics Tip the odds in your favor While you can t control everything the kids do on the field you can certainly make sure that when the play stops that they use techniques and strategies to help them retain possession steal the ball block kicks put the ball in play correctly and score goals Use statistics and strategy to your advantage Whether you are a first time coach or have been coaching for a while this very short 20 page book will teach you how to coach your kids how to run practice tell you which drills to run and how to win by tipping the odds in your favor Coach Alo has been involved in sports for over thirty years whether it s playing sports being a coach on the field and now coaching from the sidelines He s taken all the statistical research about soccer from the last forty years as well as first hand experience coaching youth soccer and turned it into a very simple guide This is a very concise book on what you need to teach your kids to do on throw ins corners goal kicks center balls and how to ingrain those techniques into their brains so that they can do it instinctively during the games It also talks about what you should not be doing in each scenario This is not a very long course in statistics or statistical analysis That s been taken out This is just the very basic techniques you can teach to tip the odds in your favor It s a very fast read and you will be able to use this information right away If you ve already coached youth soccer now you can learn how to do it right Yes these strategies and techniques will work at every level We ve taught this to 10 and 12 year olds as well Even high school and college athletes have benefited from our system But you ll be surprised how many high school and college athletes still use improper techniques and do things wrong They just were never taught properly or they didn t have the benefit of years of soccer

statistics analysis *The New Coach's Guide to Coaching Youth Soccer* Robert L. Koger,2007-06-17 Robert Koger coached youth soccer for over twenty five years For the thousands of new coaches taking over teams every year the advice he offers will make their lives easier and their teams better Koger covers everything a new coach needs to know the rules of the game the layout of the field the logistics of finding playing space setting up practices and even handling pesky problem parents If you want to understand the offsides rule clarify what goalkeepers can and can t do inside the penalty box need advice on conditioning and training players you ll find it here Designed specifically to help coaches work with young players ages four through eight Koger s goal is to make the game fun for kids parents and coaches With fourteen million American children playing in organized leagues and more new coaches needed every year this book is essential and helpful reading for anyone who chooses to take up the whistle and manage a team Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home *Coaching 9, 10, and 11 Year Olds* Bobby Howe,Tony Waiters,1989 *Coaching the Team* Tony Waiters,1990 **Coaching the Player** Bobby Howe,1991-06 *Leases & Rental Agreements* Marcia Stewart,Janet Portman,Ralph E.
