Huff,2007-11-13 The political turmoil of the Civil War Era has been analyzed many times but one area of this period s history is often overlooked a large body of humorous clever and scathing editorial cartoons from publications such as Harper s Weekly Vanity Fair Punch and Leslie s Illustrated In Lines of Contention the best of these cartoons has finally been collected into one place to illuminate the social political and cultural climate of Civil War Era America The cartoons have been pulled from both sides of the fence and provide insight into the incidents and opinions surrounding the war as well as the mind sets and actions of all the major figures Lines of Contention presents a unique history of the Civil War and its participants      Political Cartoons and Caricatures Michael Alexander Kahn,Jenny E. Robb,2007 One of the great private collections of political cartoons      **The Daily Don** Jesse Duquette,2019-04-02 The Best of The Daily Don political cartoon that documents all the covfefe of the administration of Donald Trump The Daily Don is the best of artist Jesse Duquette s fabulous Instagram gallery of political cartoons relating to the Trump administration It began in the wake of the first Trump press conference that gave us the weird and unnecessary lie about crowd sizes Right then Jesse thought if this was Day One and the lying was already this casual and obvious what did this mean for Day 2 or Day 100 He drew his first picture Sean Spicer delivering his line Period added a quote from Orwell s 1984 that seemed particularly relevant and posted it to Instagram with the caption that he was going to attempt to document every day of the Administration until the end a vow that he was maybe 35% serious about But he has not missed a day and is still going strong These drawings are the perfect antidote to the cries about Fake News and Build a Wall They help us all stay sane and smile however nervously through these strange times This book pulls together selections from the first nearly two years in office from Muslim bans to Melania jackets and all the beef tweeting covfefe in between and acts as a semi accurate record of what these strangest of strange times were like for those of us who were there and lived to tell the tale Because what better method to record a cartoon presidency than with colored pencils and markers      *The Lines Are Drawn* Kristen M.
