Silent Warriors Jack K. Wakamatsu, 1995 Silent warriors a memoir of America's 442nd Regimental Combat Team is author Jack K. Wakamatsu's deeply felt account of his experiences in World War II A Nisei or Japanese American Wakamatsu finds himself in a particularly unique position as the war begins As our government interns his parents in the infamous Manzanar security camp his father's business left in unscrupulous hands Jack and many of his Nisei friends prepare to wage war in the European theater their twofold aim to fight for liberty and to prove to their Caucasian counterparts that they too are loyal patriotic Americans Made up mostly of Nisei like Wakamatsu the 442nd's exploits and adventures make for unforgettable reading In a particularly unsettling episode a young soldier returns from a harrowing day on the front line only to learn that angry neighbors have turned against his parents back home and burned them out of their house The incident is rendered doubly poignant in light of the tremendous dedication and discipline of the 442nd soldiers many of whom would go on to make the ultimate sacrifice before the war ends In an era where as the author points out we take our priceless freedom entirely too much for granted Silent warriors is a chilling reminder of the high price that has so often been paid for the sake of preserving American democracy Jacket **Autobiographical Writings on Mexico** Richard D. Woods, 2024-10-14 This is the definitive bibliography of autobiographical writings on Mexico The book incorporates works by Mexicans and foreigners with authors ranging from disinherited peasants women servants and revolutionaries to more famous painters writers singers journalists and politicians Primary sources of historic and artistic value the writings listed provide multiple perspectives on Mexico's past and give clues to a national Mexican identity This work presents 1,850 entries including autobiographies memoirs collections of letters diaries oral autobiographies interviews and autobiographical novels and essays Over 1,500 entries list works from native born Mexicans written between 1691 and 2003 Entries include basic bibliographical data genre author's life dates narrative dates available translations into English and annotation The bibliography is indexed by author title and subject and appendices provide a chronological listing of works and a list of selected outstanding autobiographies
