Dutch Courtesan:

The Dutch Courtesan John Marston,2018-04-05 The Dutch Courtesan is a riotous tragicomedy that explores the delights and perils afforded by Jacobean London While Freevill an educated young Englishman and the play s nominal hero frolics in the city s streets taverns and brothels Franceschina his cast off mistress and the Dutch courtesan of the play s title laments his betrayal and plots revenge Juxtaposing Franceschina s vulnerable financial position against the unappealing marital prospects available to gentry women the play undermines the language of romance revealing it to be rooted in the commerce and commodification Marston s commentary on financial insecurity and the hypocritical repudiation of foreignness makes The Dutch Courtesan truly a document for our time **The Dutch Courtesan** ,1963 **John Marston** M.
