**Real** S. G. RAINBOLT,2011-10-13 Darkimigraines a side effect from his hundred year sleep takes over Dana s mind The young boy wrestles with restless nights as he loses grip on reality and the key to saving not only himself but hundreds on Galaxy a ship destined to arrive in the center of the universe sometime the next millennium Doubtful of his abilities Dana is forced to rely on computer generated companions to stop a digital paradox from destroying the ship and returning to Earth He must succeed but he falls short of the genius he once was It is the genius he needs to be to end the unbridled paradox that is unraveling before him He is destined to fail because he is the one who created it Dana s monocle hung on the back of corridor computer s arm chair having been snagged out of his pocket during the fight An approaching red star s rays shone through the nearby window passed through the Earth relic and focused hot light over his forehead The ship swayed suddenly marking a once sanctioned space voyage being overly adjusted Dana s motionless body rolled to its side passing under the legless chair with the beaming monocle light following him Finally he awoke and jolted to his feet grabbing his head and leaning forward to brace himself as the ship pitched violently and rolled imminently again The terminal screen transitioned from standby mode to full on as it detected a human at the controls again A route map to the ship s bridge flashed up It was at that time he knew he had to find the girl he loved and kill her *A Stitch Before Dying* Anne Canadeo,2010-12-28 The

ex wife to the widow of his former business partner both employees at the inn Max seems mired in shadows from his past And when a killer strikes during a mountaintop retreat the Black Sheep wonder what the good doctor might be hiding The police seem to be following the wrong thread But while Maggie s workshops have given the knitters a unique view of the tensions at the little inn can they make sense of a crime that is as complexly stranded as a Fair Isle sweater When the killer murders a second time the Black Sheep wonder if they ve dropped a stitch and put themselves in mortal danger
