Dying Outloud:

Sitting In Silence, Dying Out Loud F. Bonet',2007-02 As children we are taught many things but you can't teach someone how to love No matter what you read or think about love it is multifaceted Sitting In Silence Dying Out Loud or Verses shares one man's story of facing love blindly foolishly and without limit guided by his devotion to music and the written word In college author F J Bonet realized he excelled at conveying his feelings through the written word rather than verbally as if for his entire life he had maintained a wall of silence around himself However Bonet cannot recall a period in his life that doesn't involve music He has always considered himself a musician who could not play an instrument and a songwriter with a heart full of music who could not express it through song In Sitting In Silence Dying Out Loud or Verses Bonet deconstructs his silent barrier allowing you to listen to his world From the paternal love of Baby and All You Need To Know to the bittersweet love of The Ring Don't Mean a Thing and If I Could Rescue You Bonet paints a mural of the beauty joy misery pain hope and love in his heart

Living Out Loud Samuel Wells,2014-08-08 Is living an ethical life primarily about following rules or about the kind of people we are The authors of this book argue that faithful Christian discipleship is more to do with developing good habits than following rules And forming good habits requires participation in communities that transform us and those around us into the kind of people who can live God's way in God's world The book introduces key approaches to Christian ethics through a conversation between theologians church leaders and Christians equipping the church for action The main conversation partners are Stanley Hauerwas and Sam Wells who present some of their key ideas in the essays and then enter into fascinating conversations with Jo Bailey Wells Luke Bretherton Steve Chalke Shane Clairbourne and Russ Rook They explore how we can live out loud as a faithful witness of Christ in our contemporary context
