Preaching Through Mark Barry Davis,J. H. B. Masterman,2014-09-20 Dear Fellow Preacher For most of us one of the most rewarding yet difficult tasks is preparing messages to preach and teach We are honored by God to stand before our congregation each week and we want to give them the very best but with the press of the many demands of ministry sometimes that is difficult to do And if you re like me you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written In other words no one knows your people like you do Our book *Preaching Through Mark* gives you a starting point a sermon title a deductive sermon outline and detailed comments with each point that you can edit however you like You are free to fill in the blanks so to speak and add your own meat and potatoes to the mix We invite you to make these messages your own because only you know the people God has called you to preach to Please make sure and study the text surrounding what we have printed here to get a better feel for the context We are honored that you have invested in this book and encourage you to spend some quality time studying Mark s Gospel each week as you prepare There are many spiritual riches to be discovered there May God Bless You as You Share His Word In Christ Barry L Davis D Min [www.pastorshelper.com](http://www.pastorshelper.com)
