IN HOLLYWOOD David W. Menefee,2014-11-27 George O'Brien thrills audiences today with his signature roles in F W Murnau s *Sunrise* Michael Curtiz Noah s *Ark* and John Ford s *The Iron Horse* *The Blue Eagle* *Salute* *The Seas Beneath* *Fort Apache* and *Cheyenne* Autumn He was one of America s most beloved film stars His on screen heroics were more than

matched by his real life bravery For the first time the story is told about how he survived the great 1906 San Francisco earthquake as a seven year old to grow up a superb athlete a decorated hero in World War One and a stunt double for film idol Rudolph Valentino O'Brien was one of hundreds working as an assistant cameraman extra and bit player when he was plucked from obscurity to head the cast of John Ford's epic The Iron Horse He became a star overnight O'Brien's rise to the top ranks of silent films reached sublime proportions when F. W. Murnau featured him in the classic romance Sunrise Warner Bros. plunged him into one of the first talking pictures when director Michael Curtiz converted his silent Noah's Ark epic into sound Many men women and animals were injured during the climatic flood scenes but O'Brien lived through the deluge to become a top star for twenty years In the 1940s O'Brien walked away from the pinnacle of stardom to answer the call to arms and re-enlist when America entered World War Two He actively fought in several island invasions and when the war ended he returned only to find that a new generation of filmgoers had grown up never having seen him in a motion picture He succeeded with a modest comeback but left Hollywood a second time to assist with military conflicts in Korea When he returned to civilian life again he briefly pioneered in early television work and lived to enjoy retrospectives of his films during the 1970s and 1980s Discover his fascinating life in George O'Brien A Man's Man in Hollywood The richly researched work draws from hundreds of sources including major archives and the George O'Brien Estate Enjoy hundreds of photos and illustrations many unseen for the past eighty years The book reveals how he was received in his time and his role in the development of motion pictures from silent to sound George appeared in more than a hundred credited and uncredited films and this book reveals them with a richly researched biography an extensive Filmography rare portraits posters and lobby cards that capture the glamour of Hollywood's Golden Era **When Hollywood Came to Utah** James V.

Tyree,Ben Walters,2020-05-14 Ethan and Joel Coen s The Big Lebowski was released in 1998 to general bafflement A decade on it had become a cult classic and remains so over 20 years later inspiring a thriving circuit of Lebowski Fests during which costumed devotees gather at bowling alleys and guzzle White Russians Beyond its superabundance of deliciously quotable lines how has the movie inspired such remarkable affection And why does its critical stock continue to rise The film s unlikely anchor is Jeff Bridges career best performance as Jeffrey Lebowski a fully baked 1960s radical turned Venice Beach drop out known to his friends as the Dude Mistaken for an identically named grandee whose young trophy wife is in trouble the Dude finds himself embroiled in an impossibly convoluted kidnap plot involving pornographers nihilists and threats to his johnson Worst of all it conflicts with his bowling commitments In part an irreverent pastiche of Raymond Chandler s The Big Sleep as filmed by Howard Hawks The Big Lebowski is also a jukebox of film history littered with playful references to everything from Hitchcock and Altman to Busby Berkeley This riot of addled quotations reflects the film s Los Angeles setting a discombobulated world inhabited by flakes phonies and poseurs with put on identities Like many Coen films the movie plays havoc with the conventions of the crime genre and the absurdities of classical American heroism But it s also that rare thing a comedy that gets richer funnier and more affecting with each viewing Beneath its breakneck pacing and foul mouthed ribaldry the Dude s story offers disarmingly humane lessons in the value of simple things friendship laughter and bowling In their foreword to this new edition the authors reflect on Lebowski s cult status and its contemporary resonances as a film about gentle non conformity and friendship in an increasingly polarized world The new edition also includes an interview with the Coens revealing the origins of the name Jeffrey Lebowski **Dude Ranger** Zane Grey,1996 **American Poland-China Record** American Poland-China Record Association,1919 **The American Kennel Gazette** ,1930 **Railroad Magazine** ,1963 **Film Year Book** ,1938 **The Film Daily Year Book of Motion Pictures** ,1930
