Garnett s life will not need to be written again Andrew Morton Times Literary Supplement A penetrating biography of the  
most important English language editor of the early twentieth century During the course of a career spanning half a century  
Edward Garnett editor critic and reader for hire would become one of the most influential men in twentieth century English  
literature Known for his incisive criticism and unwavering conviction in matters of taste Garnett was responsible for  
identifying and nurturing the talents of a generation of the greatest writers in the English language from Joseph Conrad to  
John Galsworthy Henry Green to Edward Thomas T E Lawrence to D H Lawrence In An Uncommon Reader Helen Smith  
brings to life Garnett s intimate and at times stormy relationships with those writers I have always suffered a little from a  
sense of injustice at your hands Galsworthy complained in a letter All turned to Garnett for advice and guidance at critical  
moments in their careers and their letters and diaries in which Garnett often features as a feared but deeply admired  
protagonist tell us not only about their creative processes but also about their hopes and fears Beyond his connections to  
some of the greatest minds in literary history we also come to know Edward as the husband of Constance Garnett the prolific  
translator responsible for introducing Tolstoy Dostoevsky and Chekhov to an English language readership and as the father of  
David Bunny Garnett who would make a name for himself as a writer and publisher Mr Edward Garnett occupies a unique  
position in the literary history of our age E M Forster wrote He has done more than any living writer to discover and  
encourage the genius of other writers and he has done it without any desire for personal prestige An absorbing and  
masterfully researched portrait of a man who was a defining influence on the modern literary landscape An Uncommon
