Dukes Proposal:

THE DUKE'S PROPOSAL Sophie Weston, Masami Shinohara, 2018-05-21 Named the best model in the world Jemima who is no romantic is forced by her manager to find a boyfriend in an effort to improve her public image Feeling pressured she leaves for a small island in the Caribbean There she meets a mysterious man named Niall who challenges her with his sweet seductions On this island that was once a pirate hideout Niall promises Jemima an unforgettable day But he has yet to learn the real reason why Jemima is so hesitant to fall in love The Duke's Proposal (Mills & Boon Cherish) Sophie Weston, 2014-10-01 Attraction and secrets on a sun drenched island The Duke's Proposal Sophie Weston, 2004 Supermodel Jemima Dare needs to get away from it all and flees to a Caribbean paradise in search of peace But there is no peace to be found with Niall Blackthorne around They are both hiding who they are but when you fall in love this hard this fast hiding seems even harder than telling the truth *The Duke's Proposal for the Governess/Meeting Her Promised Visc* Carol Arens, Eleanor Webster, 2023-09-20 **The Duke's Proposal** Leslie Lafoy, 2007-05 Lady Fiona Turnbridge arrives on the doorstep of Lord Ian Cabott with an injured cat in one hand and a pistol in her other Ian a former military surgeon is willing to help a damsel in distress and he could use Fiona's assistance with the young ward in his care and perhaps find love along the way Original **The Duke's Proposal** Fenella J. Miller, 2014-09-01 Miss Lydia Richmond has no wish for a husband but when the Duke of Stenning proposes she must decide whether a marriage without love will lead to heartbreak The Duke's Proposal for the Governess Eleanor Webster, 2023-09-26 From Cinderella to Duchess in this Regency romance A wedding to save her from scandal A bride to save his heart After the death of his beloved brother and mother Randolph the Duke of Elmsend feels his life is empty So he is in no mood to entertain the rambunctious Harrington family while they're in London Then he meets Abigail their governess When her reputation is in jeopardy he does the unimaginable propose But whilst Randolph can offer her a ring can he ever offer her a real marriage From Harlequin Historical Your romantic escape to the past **The Tormented Duke's Proposal** Elizabeth Downton, 2017-05-15 Gregory Lockwood is the Duke of Berkshire At the age of thirty he has everything in life a young man could wish for but he is a man tormented by the thought of failing in life After realising that he cannot continue to run away from his fear he decides that he needs to abandon the notion of love altogether and pursue a marriage that will keep him from thoughts he deems frivolous Catherine Archer is the exact opposite a romantic who envisions meeting her one true love and living happily ever after she is soon challenged by the realities of life and finds that one must make do with what one has When Gregory and Catherine meet their attraction for each other is undeniable though they deny it by using their predetermined ideas of what is best for each other That however is nothing compared to the fact that Violet Catherine's younger sister is expecting a proposal from Gregory and she faces being betrayed by both the Duke and her beloved sister when finding out that they have fallen in love **Duke Vincentio, Sex and the Law** John Hardy, 2024-09-11 Long regarded as a problem play Measure for Measure has provoked much critical

disagreement Staged during James I's first Christmas at Whitehall it was doubtlessly written to further his patronage of Shakespeare's acting company the King's Men Dramatizing James's view that justice should be tempered with mercy its theme involved fornication or sex without a church wedding which was not unrelated to the dramatist's own past Duke Vincentio intended as a surrogate for James wished to see the guilty punished with the death penalty but Shakespeare's use of ambiguity in permitting varied interpretations ensured that the play as a Christmas comedy would have pleased King James while allowing Shakespeare's own response to have been different from the king's

The Duke's Proposal Chula Stone, 2015-09-30 Sophia Tamworth never planned to marry having chosen instead to look after her aging father and assist her brother in the running of the family estate Then Spencer Preston the duke of Page came to court her sister Spencer tired long ago of the frivolities of London high society and a marriage to Dorothy Tamworth agreed with her father before his passing seemed like the perfect arrangement until he met her sister Sophia intrigues and excites him and he cannot help but imagine her sharing his bed as his wife and sharing it often When he learns that Dorothy has fallen in love with another man and does not wish to wed him he offers Sophia a proposal Although she is shocked by the duke's offer of marriage Sophia sees no other way to help her sister avoid a scandal and she reluctantly accepts She quickly discovers however that her new husband is a man to be reckoned with and that her attempts to manipulate him have a good chance of ending with her lying over his knee for a bare bottom spanking Her duties as a wife initially fill her with trepidation but Sophia soon finds that the duke can be as patient as he is passionate and as gentle as he is firm More disturbing still is the fact that if she is not careful Sophia fears that she may soon fall deeply in love with her husband Publisher's Note The Duke's Proposal contains both consensual and non consensual spankings of an adult woman including domestic discipline in a Regency era setting If such material offends you please don't buy this book
