Dust Devils Of The Purple Sage:

Dust Devils of the Purple Sage Barbara Burnett Smith,1997 Aspiring writer and amateur sleuth Jolie Wyatt has started working as a newscaster for KSGE the local radio station One of her first broadcasts is about an escaped prisoner making his way back to his hometown of Purple Sage While the manhunt is on a popular college kid is killed Are the two events connected Jolie is determined to find out Skeletons in Purple Sage Barbara Burnett Smith,2004 After a flash flood hits the Texas town of Purple Sage a local doctor is found dead in a creek The police call it an accident but Jolie Wyatt suspects murder When a second body turns up Jolie s suspicions are confirmed Martin s Press Sleuths in Skirts Frances A. DellaCava, Madeline H. Engel,2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality **Celebration in Purple Sage** Barbara Burnett Smith,1996 The centennial celebration of Purple Sage is at hand but Jolie Wyatt is in no mood to celebrate After all her husband Matt s ex wife the lovely and sickeningly charming Cecily is coming to town As are Matt s parents who still think that their son and Cecily make a charming couple But it s the murder of one of the celebration s organizers that really ruins Jolie s mood especially when she gets on the killer s trail and in the position of becoming his next victim Martin s Press Riders of the Purple Sage Zane Grey,1912 Mormon elders in the town of Cottonwoods pressure the widow Jane Withersteen to remarry so that her lands and herds will remain in their control Gradually they frighten away most of her cowboys and rustlers steal away her cattle but the gunfighter Lassiter stands by her as the inevitable confrontation draws near **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and

easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
