Dusty Springfield Reflections:

Dusty Springfield Laurence Cole, 2008 Dusty Springfield in the middle of nowhere deals with the idea of Dusty Springfield as cultural icon partly promoted by the woman who went by that name partly interpreted down the years by newspapers magazines television books websites and of course by the author The book describes the cultural reception of Dusty Springfield when she was alive and since her death What has been said and written about her music appearance and celebrity is reviewed with the intention of building a picture of her place in Anglo American culture Although neither history nor biography in any conventional sense the book may be viewed as containing historical and biographical features as it narrates a life in text across nearly half a century The writing also sets Dusty against the musical and social background of her times and provides theoretical perspectives against which to discuss her artistry This is the first book length study of Dusty Springfield s contribution to popular culture in terms of race gender or sexuality and will appeal not only to Dusty fans but also to readers with a general interest in popular music or cultural studies **BOOK JACKET** **Goin' Back to the 1960s** Brian Halvorsen, 2023-06-08 Goin Back to the 1960s is a memoir of a happy and eventful life of a young man during the 1960s where growing up changed his outlook on life from a care free innocent boy to an outright teenage cynic Brian s story begins when Brian s parents decide to move from an inner city life in the East End of London to the leafy Berkshire countryside This move changed his life completely for the better and together with a band of characterful friends he enjoyed all the freedoms the countryside had to offer Life was certainly good full of long summer days fishing and many exciting adventures that would often get him into trouble These stories are full of the love and passion he had for angling for sport and especially for pop music recalling many of his favourite records of the time Interspersed with hilarious anecdotes as well as poignant family moments He shares his views on the great historical events of the 60s headlining the news at the time These stories provide the reader with a nostalgic journey through the 1960s and describes everything wonderful about growing up at that time A funny warm and light hearted read **It's Hard Being Queen** Jeanette Lynes, 2008-09 In this her fourth book of poetry one of Canada s best loved poets takes on one of the most compelling divas of our time In sixty one audacious poems Jeanette Lynes re imagines and reanimates the peripatetic art life and times of Dusty Springfield Alternating between playful irreverence and profound compassion It s Hard Being Queen paints a compulsively readable portrait of an extraordinary life Each page is infused with wit drama and of course music Jeanette Lynes not only steps into the icon s shoes she lives in her skin **The Video Librarian** , 2004 *TV Guide* , 2005 *Billboard* , 1964-03-21 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Media Review Digest** C Edward Wall, 2005-08 *Between Sunsets* Leah Omar, 2022-07-14 Camilla Bergland has never called anywhere home happy to be tied to no one and no place A citizen of the

world she thinks the only real roots she has is her grandparents lake cottage in Wheaton where she spent every summer of her nomadic childhood So when her grandparents need help she volunteers to spend the summer with them while she figures out her next move What she didn t anticipate was relishing the precious time with her grandparents despite her grandmother s increasingly heartbreaking Alzheimer s small town life and reconnecting with childhood friends All roads in Wheaton seem to lead to Jake Abram her childhood crush and the person she spent her summers following around but the kindhearted Jake she had idolized seventeen years ago has become a different person He s rude edgy and likes to remind Camilla that while she s been traveling the globe she s also been neglecting her grandparents and their growing needs Unfortunately Jake s the only one who can help her fix up her grandparents rundown lakefront cottage Before long she s made a deal with the devil He ll help Camilla renovate the cottage in exchange for her decorating his lake home next door The more time they spend together the more she remembers why she used to like him back in the day But can their growing attraction survive the secrets he s keeping and Camilla s determination to always leave before she can get hurt
