Dying With Grace And Hope:

Dying with Grace and Hope S. Allen Foster,2002-09-25 Why do we resist facing the reality of death whether our own or that of others who we love dearly Is it fear of the physical emotional and spiritual pain of dying *Dying with Grace* Fran A. Repka,2011-08-01 This is a book about living even as one is dying It is a book about the choices we make choosing spiritual risk rather than security choosing surrender to a hunger for God rather than hanging on to life or fighting death It is a book on how the quality of ones relationships with God creation self and others can either help or hinder the dying process Living well does indeed contribute to dying well Dying with Grace a Conscious Commitment to the Dying Process is the story of Franks ability to let go of control enjoy his last days and move toward the unknown and unknowable Though alert in mind and spirit Franks body was as good as paralyzed Yet he remained curious about walking through the valley of death leaning into the process with dignity and grace Experiencing pain and suffering joy and love he lived life immersed in the rhythm of nature and died in that same rhythm To the very end he never lost consciousness Dying with Grace is written as a reflective text for family members who are caring for dying relatives for parish workers nurses and social workers assisting individuals and families during the dying process The book sheds light on what it means to die as one lives and invites the reader to contemplate just how the dying experience may be spiritually transformative for both family and friends as well as for the one who is passing The frightened the skeptical the devastated the hope filled faith believers and non believers alike can benefit from this book **Hope to Die: The Christian Meaning of Death and the Resurrection of the Body** Scott Hahn,Emily Stimpson Chapman,2020-04-22 As Catholics we believe in the resurrection of the body We profess it in our creed We re taught that to bury and pray for the dead are corporal and spiritual works of mercy We honor the dead in our Liturgy through the Rite of Christian burial We do all of this and more because when Jesus Christ took on flesh for the salvation of our souls he also bestowed great dignity on our bodies In Hope to Die The Christian Meaning of Death and the Resurrection of the Body Scott Hahn explores the significance of death and burial from a Catholic perspective The promise of the bodily resurrection brings into focus the need for the dignified care of our bodies at the hour of death Unpacking both Scripture and Catholic teaching Hope to Die reminds us that we are destined for glorification on the last day Our bodies have been made by a God who loves us Even in death those bodies point to the mystery of our salvation *Grace in Dying* Kathleen D.
