Dylan Thomas A Farm Two Mansions And A Bungalow:

Dylan Thomas David N. Thomas,2000 This Dylan Thomas biography reveals startling new information on Thomas s stay in Cardiganshire With updated research and interviews this work takes a fresh look at the Majoda shooting the setting of Under Milk Wood and the claims that Thomas spied for the British in Iran Previously unpublished photographs provide an inside look at the surroundings and circle of friends that influenced some of Thomas s most important works **An Encounter with Dylan Thomas** Ebrahim Golestan,2022-09-27 Abadan 1951 Iran and Britain are bracing for battle over the continued British monopoly of Iran s oil Twenty nine year old Ebrahim Golestan who was to become a towering figure in Iranian cinema and literature encounters Dylan Thomas the famous Welsh poet who died two years later at the age of thirty nine from bronchial disease and pneumonia More for his celebrity than an intimate knowledge of the subject Thomas had been sent to Iran by the Anglo Iranian Oil Company to write a script for a propaganda film about the company s supposedly salutary role in the country But for a few hours Golestan and Thomas pause amidst the escalating standoff between their two countries and speak candidly about poetry history philosophy and the perils of translation Published here for the first time is the English translation with facing pages in the original Persian of Golestan s unflinching portrayal of that encounter revealing all too clearly how unsuited Thomas was for the task in hand Accompanying the translation is an account of Thomas s time in Iran written by Abbas Milani Director of the Iranian Studies Program at Stanford University together with Alina Utrata a Ph D candidate and Gates Cambridge scholar Based on the poet s letters journals and archival material in England and Wales it helps to shed further light on an episode long shrouded in mystery and plagued by controversy Publication of this book coincides with the hundredth birthday in October 2022 of Ebrahim Golestan To mark the occasion Professor Milani has included a personal and erudite introductory essay on Golestan s life and work examining his pioneering approach to film and his important contribution to Iranian literature despite living in exile for most of his adult life With a filmography and selected bibliography of the works by or about Golestan this multifaceted volume offers not only a striking commentary on Iranian arts politics and history set against the tense backdrop of the impending geopolitical clash between Britain and Iran but also a commemoration of the work of one of the most eminent and influential representatives of Iranian culture in modern times [Discovering Dylan Thomas](#) John Goodby,2017-03-31 Discovering Dylan Thomas is a companion to Dylan Thomas s published and notebook poems It includes hitherto unseen material contained in the recently discovered fifth notebook alongside poems drafts and critical material including summaries of the critical reception of individual poems The introductory essay considers the task of editing and annotating Thomas the reception of the Collected Poems and the state of the Dylan Thomas industry and the nature of Thomas s reading influences allusions and intertextuality It is followed by supplementary poems including juvenilia and the notebook poems The Woman Speaks original versions of Grief thief of time and I followed sleep and Jack of Christ all of which were omitted from the Collected Poems These are followed by annotations
