Dynamic Object Talks John Henry Sargent, 1955 *Dynamic Object Lessons* John Henry Sargent, 1955 *Moses, God, and the Dynamics of Intercessory Prayer* Michael Widmer, 2004 Revised thesis Ph D University of Durham 2003 *American Book Publishing Record*, 2003 *The Publishers Weekly*, 1884 *Song, Prayer, Scripture* David Davage, Lena-Sofia Tiemeyer, 2025-07-10 Experts from the field of biblical studies shed light on the many ways in which the Psalter psalms have been used through the ages The focus across the volume is on the role that these psalms play in scribal liturgical didactic iconographic and literary contexts The book is structured in four parts covering different styles uses of the Psalms In part I song the focus is on psalms as songs and how their uses in different performative settings have generated new interpretations In part II prayer the focus is on the liturgical uses of psalms not only how they can be used as prayers in various communities of faith but also on how they may not be used In part III scripture interpretation the focus is on the reception of several individual psalms in Jewish Christian and Muslim traditions Finally in part IV scripture manuscripts the focus is on scribal activity transmission translation and illumination *Advanced Yoga Practices - Easy Lessons for Ecstatic Living, Vol. 2*, **ScriptureWalk Junior High** Joseph Grant, 2002 The ScriptureWalk series is designed to engage Catholic youth in Bible study and reflection Each of the eight 90 minute sessions in this ScriptureWalk manual contains Bible study and activities that build community engage youth in discussion and introduce creative forms of prayer Each session includes a section called Family Connection which gives a short family based follow up idea for the session ScriptureWalk helps the Bible come alive for young people and is intended for use in youth group meetings religious education programs and retreats and as a supplement to The Catholic Youth Bible ScriptureWalk Junior High People of Promise includes sessions on what biblical figures teach us about spiritual growth overcoming sin promoting justice facing persecution and staying faithful

Uniform Trade List Annual, 1989 *Chinese Recorder and Missionary Journal*, 1917 *Friends' Weekly Intelligencer*, 1927 **The Dynamics of Biblical Parallelism** Adele Berlin, 2007-12-18 Understanding of biblical poetry is enhanced by the study of its structure In this book Adele Berlin analyzes parallelism a major feature of Hebrew poetry from a linguistic perspective This new edition of Berlin's study features an additional chapter The Range of Biblical Metaphors in Smikhut by late Russian linguist Lida Knorina Berlin calls this addition innovative and instructive to those who value the linguistic analysis of poetry It is a fitting coda to Berlin's adept analysis *Friends' Intelligencer*, 1927 *Chinese Affairs ...*, 1917 *Object Relations Theory and Religion* Mark G. Finn, 1992-12-10 Until now little attention has been paid to the application of contemporary psychoanalytic theory to religious experiences In this edited collection the contributors provide examples that illustrate both theoretical insights and clinical techniques that are relevant to clinicians who face religious issues in psychotherapy This work follows in the footsteps of Ana Maria Rizzuto who took the bold step of employing object relations theory to the clinical study of an individual's religious representations and argued that religious representations

profoundly reveal a person's relational world Dr Rizzuto provides a detailed afterword for this volume While several of the authors maintain religious commitments which vary from Christian to Jewish to Buddhist a critique of the recruitment of object relations theory in the service of religious apologetics is also included The importance of a religious aspect to psychoanalysis becomes evident when we consider whether an effective therapy with the religiously committed patient is possible without the clinician's willingness to accept that God and other religious experiences are real phenomena exerting a unique impact upon the personality Or when we ask if by thinking too concretely and too statically about images of God the clinician who is also a believer errs by focusing on the theological adequacy or inadequacy of a given representation This book will interest mainstream clinicians who are eager to pursue the psychology of religion as well as the traditional pastoral counseling community *The Alliance Weekly*, 1929 **Spirituality in Clinical Practice** Len Sperry, 2012-01-26

Psychotherapists are increasingly expected to incorporate the spiritual as well as the psychological dimension in their professional work Therapists also are increasingly required to utilize evidence based practices and demonstrate the effectiveness of their practice An ever increasing number of spiritually oriented psychotherapy books attest to its importance but unlike these books that primarily focus on the therapist's spiritual awareness the second edition of *Spirituality in Clinical Practice* addresses the actual practice of spiritually oriented psychotherapy from the beginning to end Dr Len Sperry master therapist and researcher emphasizes the therapeutic processes in spiritually oriented psychotherapy with individual chapters on the therapeutic relationship assessment and case conceptualization intervention evaluation and termination and culturally and ethically sensitive interventions The days of training therapists to be spiritually aware and sensitive to client needs are over therapists are now expected to practice spiritually sensitive psychotherapy in a competent manner from the first session to termination Dr Sperry organizes his text around this central focus point and as in the original edition continues to provide a concise theory based framework for understanding the spiritual dimension Readers can use this framework as the basis for competently integrating spirituality in an effective evidence based psychotherapy practice *The Chinese Recorder*, 1917
