sporting events holiday parties corporate happy hours and just about any other event you can imagine Over my twenty year career as a bartender serving people on these occasions I ve grown sick of watching them absolutely blow it It s not their fault they just don t have an easy way to learn And that s where the idea for this book came from So whether you re freshly 21 or know someone who will be this is the PERFECT guide for learning everything there is to know about how to navigate bar life as a pro You re just 147 pages away from transforming your bar experience From the back cover The most common misconception amongst rookie drinkers is that your basic presence in a bar makes you appear to be cooler and more mature This couldn t be further from the truth The reality is that it all comes down to how you handle yourself in the bar Knowing how to correctly run a tab the proper way to get a bartender s attention the best drink to order based on which bar you re at and what steps to take to make sure your transaction is processed as fast as possible is just the beginning of what separates an amateur from an ace Instead of continuing my existence as an old jaded bartender that just rolls his eyes and begrudgingly serves you I thought I d take the time to put together a crash course in proper drinking and bar etiquette In my twenty years of bar experience I can tell you that those who get it always have better nights out than those who don t So whether your purpose in going out is to have fun with friends get laid catch a major sporting event or just to get your buzz on it doesn t matter after you ve finished reading this book your nights out will improve immensely So what are you waiting for Your potential evolution from bar novice to bar master is just a book away
