and the question that changes everything Who is able to stand The 144 000 and the great multitude the complete answer to the sixth seal s most urgent question The Rapture question what Scripture actually teaches where genuine disagreement exists and what is clear regardless of position The seventh seal the golden censer and the staggering discovery that the prayers of the saints are woven into the mechanism by which God moves history forward The fifth and sixth trumpets the abyss opened demonic armies marching and the sobering truth about why humanity still does not repent John eating the little scroll and what it means for every bearer of God s Word to carry both its sweetness and its bitterness How to read current events through a biblical lens without prophetic sensationalism or date setting The Middle Eastern world and its specific growing relevance to the prophetic framework Revelation provides What wholehearted living actually looks like in the ordinary world of ordinary days for as long as the patience of God extends the present moment FOR THE BELIEVER WHO HAS AVOIDED REVELATION LONG ENOUGH If you have ever opened this book and quietly closed it again unsure where to begin uncertain what the imagery means wondering whether it was intended for someone more qualified than you this companion was written for you The door is open The blessing is already yours Read Hear Keep PERFECT FOR Individual study Small group Bible study Sunday school curriculum Companion reading alongside The Last Book by James Kaddis New believers exploring end times prophecy Mature believers seeking deeper engagement with Revelation *Fortson's Four Hour Bible Series: Revelation (Learn The Complete Book of Revelation In 4 Hours Or Less)* Dante Fortson, This study guide is PERFECT for individual and group Bible studies The journey begins on the desolate island of Patmos where the Apostle John finds himself in exile for his commitment to the Gospel In the first chapter the curtain is pulled back to reveal the glorified Christ This is not the humble carpenter of Nazareth or the suffering servant of the cross this is the High Priest of heaven with eyes like blazing fire a voice like rushing waters and a face that shines with the brilliance of the sun He stands among seven golden lampstands which represent the seven churches of Asia Minor This opening vision establishes the primary theme of the book Jesus is intimately present with His people in their suffering The letters to the seven churches in chapters two and three serve as a spiritual diagnostic for the entire Church throughout history Each letter addresses specific challenges from the loveless state of Ephesus to the lukewarm compromise of Laodicea To those facing persecution in Smyrna or Philadelphia Jesus offers comfort to those drifting into moral or doctrinal decay in Pergamum and Thyatira He offers a sharp rebuke These letters ground the cosmic visions that follow in the practical reality of daily faithfulness The call to overcome is the recurring refrain promising that those who remain loyal to the Lamb will share in His eternal reign [A Guide to Investing in Eternity](#) Kevin W. Kaufman, 2020-04-13 Why did Jesus tell us Lay up for yourselves treasure in heaven Is there something of eternal value at stake in how we live our lives Investing in Eternity examines the Bible s conditional promises of blessing and concludes that the doctrine of rewards is one of the most important teachings of the Bible Faithfulness to God will be rewarded forever There is literally no limit to the blessing God will bestow upon those and only those who love and serve Him

in this life So the stakes are infinitely high for every follower of Christ We have this life and this life alone in which to earn God s reward **March, April, May (Broadman Comments, March-May 1998)** Robert J. Dean,1997-12 This invaluable teaching tool helps both professionals and volunteers make the most of scarce preparation time Broadman Comments delivers quarterly sets of lessons based on the International Sunday School Lessons for Sunday School teachers and others who lead Bible stud groups Each lesson includes a complete analysis of the Scripture passage plus detailed suggestions for making a clear meaningful presentation Studying the Bible reviews the Scripture passage Applying the Bible suggests ways to put the lesson into practice Teaching the Bible includes an outline and hints for keeping the class challenged

Preaching the Good News George Edgar Sweazey,1976 Provides guidelines to help the preacher prepare sermons that will communicate fundamental ideas effectively **The Other Son of Man: Ezekiel/Jesus** Andrew Watterson Blackwood,1966 Here is an intriguing series of vignettes drawn from the book of Ezekiel The facile mind of an outstanding author has captured the cultural background and essential message of the prophet s ministry and skillfully applied the results to the contemporary scene Following a scholarly introduction which deals with the Son of Man concept as related to Ezekiel and to Christ individual expositions of selected sections reveal the prophet s central emphasis and clearly relate it to the message and ministry of Christ The difficult imagery and demanding message which have made Ezekiel a conundrum to many are graphically explained and pertinently applied As the work progresses the day in which the prophet lived becomes our day and the message which he preached becomes the message for modern man Blackwood s incisive understanding of the world as it is his real perception of the basic elements of Ezekiel s meaning and his ability to express himself with wit and clarity all combine to make this work both readable and thought provoking If you are distressed about current conditions depressed by the seeming difficulty of your lot in life or impressed with the need of greater spiritual insight here is a book which cannot fail to meet the need **Herald and Presbyter** ,1911 *The Tablet and the Scroll* William W.
