Echoes Of Scripture In The Letters Of Paul:

Echoes of Scripture in the Letters of Paul Richard B. Hays, 1989-01-01 Analyzes Paul's use of Old Testament Scriptures and discusses the themes of Paul's letters

Echoes of Scripture in the Letter of Paul to the Colossians Christopher A. Beetham, 2008 The introduction of literary intertextuality into biblical studies has led to both discovery and dilemma This study proposes new definitions of an allusion and an echo and a methodology on how to detect them using the neglected letter of Colossians as a test case

The End of Deuteronomy in the Epistles of Paul Guy Prentiss Waters, 2006 Originally presented as the author's thesis doctoral Duke University 2002

[Echoes of Scripture in the Gospels](#) Richard B. Hays, 2017-05-15 The claim that the events of Jesus' life, death, and resurrection took place according to the Scriptures stands at the heart of the New Testament's message All four canonical Gospels declare that the Torah and the Prophets and the Psalms mysteriously prefigure Jesus The author of the Fourth Gospel states this claim succinctly in his narrative Jesus declares 'If you believed Moses you would believe me for he wrote about me' John 5:46 Yet modern historical criticism characteristically judges that the New Testament's christological readings of Israel's Scripture misrepresent the original sense of the texts this judgment forces fundamental questions to be asked Why do the Gospel writers read the Scriptures in such surprising ways Are their readings intelligible as coherent or persuasive interpretations of the Scriptures Does Christian faith require the illegitimate theft of someone else's sacred texts *Echoes of Scripture in the Gospels* answers these questions Richard B. Hays chronicles the dramatically different ways the four Gospel writers interpreted Israel's Scripture and reveals that their readings were as complementary as they were faithful In this long-awaited sequel to his *Echoes of Scripture in the Letters of Paul* Hays highlights the theological consequences of the Gospel writers' distinctive hermeneutical approaches and asks what it might mean for contemporary readers to attempt to read Scripture through the eyes of the Evangelists In particular Hays carefully describes the Evangelists' practice of figural reading an imaginative and retrospective move that creates narrative continuity and wholeness He shows how each Gospel artfully uses scriptural echoes to re-narrate Israel's story to assert that Jesus is the embodiment of Israel's God and to prod the church in its vocation to engage the pagan world Hays shows how the Evangelists summon readers to a conversion of their imagination The Evangelists' use of scriptural echo beckons readers to believe the extraordinary that Jesus was Israel's Messiah that Jesus is Israel's God and that contemporary believers are still on mission The Evangelists, according to Hays, are training our scriptural senses calling readers to be better scriptural people by being better scriptural poets

Echoes of Scripture in the Letter of Paul to the Colossians Christopher A. Beetham, 2005 While studies of the use of the Old Testament in the New Testament have burgeoned in the past two decades no monograph or even journal article has been devoted to the use of the Old Testament in Paul's letter to the Colossians in part because there are no explicit quotations of Scripture in Colossians With the intertextual turn that Richard Hays introduced to the world of New Testament studies in 1989 with his book *Echoes*

of Scripture in the Letters of Paul scholars began to give much more serious attention to the NT authors less explicit modes of reference to Scripture often called allusion and echo Scholars however continue to debate exactly what constitutes an allusion or echo or how exactly one validates a given proposal as such In light of the situation outlined above the following study proposes more precise definitions of the terms allusion and echo as well as quotation and parallel and offers a methodology on how to detect and validate proposed allusions and echoes Having run this methodology through Paul's letter to the Colossians the study then walks each proposal through a second methodology to determine what Paul as an author has done with the Old Testament reference in its new context The study argues that Paul has alluded to or echoed Scripture eleven times in his letter to the Colossians two allusions and nine echoes It is the goal of this study that the detection and defense of the validity of these allusions and echoes be a contribution to scholarship in and of itself Another upshot in light of the allusions and echoes detected is that the theme of new creation surfaces as a prominent and recurrent motif in the letter Our understanding as to how Paul viewed OT Scripture in light of the Christ event is also enhanced through the study Finally the results highlight the Jewishness of the false teaching that Paul understood to be threatening the church at Colossae

Biblical Exegesis in the Apostolic Period Richard N. Longenecker, 1999 The discovery of the Dead Sea Scrolls the Nag Hammadi texts and new Targums has greatly increased scholarly interest in the relationship between the New Testament and first century Judaism This critically acclaimed study by Richard Longenecker sheds light on this relationship by exploring the methods the earliest Christians used to interpret the Old Testament By comparing the first Christian writings with Jewish documents from the same period Longenecker helps to discern both the key differences between Christianity and Judaism and the Judaic roots of the Christian faith Book jacket

Heisey,2000 Literary-critical Approaches to the Bible Mark Minor,1992 **Paul and the Emergence of Christian Textuality** Margaret Mary Mitchell,2017 The apostle Paul was the inaugurator of early Christian literary culture not only through the writing of his own letters ca 50 62 CE which were to become surprisingly influential once collected and published after his death but also through the successful propagation of a religious logic of mediated epiphanies of Christ on the one hand and of synecdochical hermeneutics of the gospel narrative about Christ on the other He set the precedent that the Christ believing movements were to be rooted in texts and textual interpretation Already in his own letters Paul began a process of ongoing articulation and reinterpretation of the gospel narrative and the various means by which it could be replicated in each new generation and locale This process was to continue through the letters written in his name the Acts of the Apostles and apostolic imitators and expositors in the centuries to come These 15 essays by Margaret M Mitchell are accompanied by an introduction that lays out thirteen propositions for the development of early Christian literary culture from its inception in the astounding claims of Paul the self styled apostolic envoy of Jesus Christ crucified up through Constantine **Tyndale Bulletin** ,2003 **Scripture Bulletin** ,2003 *New Testament Writers and the Old Testament* John M. Court,2002 How the Old Testament is used in the New Testament is currently a matter of fierce debate Scholars argue about whether the early Christians as readers and writers or hearers would have known the Hebrew Bible by heart and the extent to which they would have acknowledged it as Scripture Many modern translations of the Bible no longer include cross references that indicate the sources of Old Testament quotations or allusions in New Testament writings Students may therefore find it difficult to appreciate how much Old Testament material is included in the New Testament and to estimate the relative weighting of Old Testament themes in different New Testament writings *New Testament Writers and the Old Testament* introduces the issues involved in understanding the controversy about the relationship of the Old and New Testaments The wealth of information this book contains together with cross references linking the two testaments make it
