"Extremely knowledgeable. Put in extra effort to understand the problem and do really thorough research which was all documented and provided to me so that I have it as well. This included his own write up of the problem in language that I can understand as well as all the huge list of legal documents referenced that I wouldn't understand as well if I tried to read but give piece of mind that a thorough job has been done. But where it was really great is the solutions provided. I presented multiple problems and Rafael answered each of them with valid solutions. Highly recommended."
