## **Bergman On Bergman Interviews With Ingmar Bergman:**

**Ingmar Bergman** Ingmar Bergman, 2007 Interviews with the famed director of *Wild Strawberries* *Scenes from a Marriage* *The Seventh Seal* *Saraband* and other films **Bergman on Bergman** Ingmar Bergman, Stig Björkman, Torsten Manns, Jonas Sima, 1973 **Bergman on Bergman** Ingmar Bergman, Stig Björkman, 1973 Each interview lasted on an average four hours Altogether we spoke with Bergman about his films for rather more than fifty hours About half our conversations were tape recorded This book is based exclusively on this interview material Foreword **Bergman on Bergman (Bergman om Bergman, engl.) Interviews with Ingmar Bergman by Stig Björkman, Torsten Manns, Jonas Sima** Ingmar Bergman, Paul Britten Austin, Stig Björkman, Torsten Manns, Jonas Sima, 1973 *Ingmar Bergman* Birgitta Steene, 2005 Exhaustive compendium by one of the world's foremost experts on the Swedish master covers Bergman's life his cultural background his entire artistic career and extensive annotated bibliographies of interviews and critical writings on Bergman **Bergman On Bergman** Stig Björkman, 1973 [Ingmar Bergman](#) Geoffrey Macnab, 2009-06-17 Ingmar Bergman was the last and arguably the greatest of the old style European auteurs and his influence across all areas of contemporary cinema has continued to be considerable since his death in July 2007 Drawing on interviews with collaborators and original research this book puts Bergman's career into the context of his life and offers a new and revealing portrait of this great filmmaker Geoffrey Macnab explores the often painfully autobiographical nature of his work while also looking in detail at Bergman as a craftsman He considers Bergman's working relationship with his actors especially the actresses he helped make into international stars his passion for theatre literature and classical music and his obsession with death and cruelty The book traces his traumatic childhood asking how his experiences growing up as the son of a strict Lutheran pastor fed into his later writing and filmmaking It also looks at his political life chronicling his teenage flirtation with Nazism his bitter spat in the mid 70s with the Swedish authorities over his tax affairs and his often vexed relationship with his fellow Swedes Geoffrey Macnab also considers how Bergman's work was financed and distributed his relationship with US agents and how close he came to working in Hollywood When I was 10 years old I received my first rattling film projector with its chimney and lamp which went round and round and round I found it both mystifying and fascinating Ingmar Bergman **20th Century of Bergman** Ingmar Bergman, 1999 Interview with Ingmar Bergman in which he expresses his views on various films and film personalities *Ingmar Bergman, Cinematic Philosopher* Irving Singer, 2009-09-18 The development of themes motifs and techniques in Bergman's films from the first intimations in the early work to the consummate resolutions in the final movies Known for their repeating motifs and signature tropes the films of Ingmar Bergman also contain extensive variation and development In these reflections on Bergman's artistry and thought Irving Singer discerns distinctive themes in Bergman's filmmaking from first intimations in the early work to consummate resolutions in the later movies Singer demonstrates that while Bergman's output is not philosophy on celluloid it attains an

expressive and purely aesthetic truthfulness that can be considered philosophical in a broader sense Through analysis of both narrative and filmic effects Singer probes Bergman s mythmaking and his reliance upon the magic inherent in his cinematic techniques Singer traces throughout the evolution of Bergman s ideas about life and death and about the possibility of happiness and interpersonal love In the overtly self referential films that he wrote or directed *The Best Intentions* *Fanny and Alexander* *Sunday s Children* as well as the less obviously autobiographical ones including *Wild Strawberries* *The Seventh Seal* and the triad that begins with *Through a Glass Darkly* Bergman investigates problems in his existence and frequently reverts to childhood memories In such movies as *Smiles of a Summer Night* *Scenes from a Marriage* and *Saraband* Bergman draws upon his mature experience and depicts the troubled relationships between men who are often weak and women who are made to suffer by the damaged men with whom they live In *Persona* *Cries and Whispers* and other works his experiments with the camera are uniquely masterful Inspecting the panorama of Bergman s art Singer shows how the endless search for human contact motivates the content of his films and reflects Bergman s profound perspective on the world

**Ingmar Bergman** Birgitta Steene,1987 The films of Swedish director Ingmar Bergman are renowned for their largely spare and stark aesthetic an existential framework and plots driven by a fascination with death and the moral torments of the human soul Birgitta Steene offers here in *Ingmar Bergman A Reference Guide* an essential and unparalleled resource on the life and work of Bergman Plumbing the depths of these trademark Bergman themes Steene traces as well the indelible mark he left on world cinema through his other cinematographic work and writings Over the decades Bergman s stature and image have evolved in fascinating ways an iconoclast of the 1950s a bourgeois traditionalist of the 1960s and an icon in the 1980s This exhaustive compendium considers each phase of his career exploring his deep and vast oeuvre in all its controversy and complexity and analyzes his intriguing and unique motifs such as his efforts to expose dead conventions and his portrayals of Woman as the archetype of humanity As well as providing a detailed account of Bergman s life and chronicling his career as a filmmaker and theater director including his work for television Steene offers transcripts of some of the numerous interviews and conversations she conducted with Bergman Writings by and about Bergman and a detailed chronological survey of his film and theatrical work completes this eminently readable and thoroughly researched volume A wide ranging and groundbreaking work of film history *Ingmar Bergman* is the definitive reference for scholars of the Scandinavian master

*Ingmar Bergman at the Crossroads* Maaret Koskinen,Louise Wallenberg,2022-11-17 This collection offers new and insightful perspectives on Ingmar Bergman s work as a film and theatre director as well as writer of fiction Ingmar Bergman s rich legacy as a film director and writer of classics such as *The Seventh Seal* *Scenes From a Marriage* and *Fanny and Alexander* has attracted scholars not only in film studies but also of literature theater gender philosophy religion sociology musicology and more Less known however is Bergman from the perspective of production studies including all the choices practices and routines involved in what goes on behind the scenes For instance what about Bergman s collaborations and
