Berlin Coming In From The Cold

John Le Carré

Berlin Coming In From The Cold:

Berlin, 1990 **Cold War Berlin** Scott H. Krause, Stefanie Eisenhuth, Konrad H. Jarausch, 2021-03-11 A wide range of transatlantic contributors addresses Berlin as a global focal point of the Cold War and also assess the geopolitical peculiarity of the city and how citizens dealt with it in everyday life They explore not just the implications of division but also the continuing entanglements and mutual perceptions which resulted from Berlin's unique status An essential contribution to the study of Berlin in the 20th century and the effects global and local of the Cold War on a city **The World that Came in from the Cold** Gabriel Partos, 1993 A thorough examination of the Cold War taken from interviews with leading participants on both sides of the Iron Curtain for a major ten part radio programme to be broadcast by the BBC World Service and in abbreviated form by BBC Radio Four later in 1993 This major work will provide an insight into what the Cold War was like for those who were involved in running it and for others who detested it Berlin Ken Smith, 1990 **The Cold War Comes to Main Street** Lisle A. Rose, 1999 In 1950 Main Street American was abruptly traumatized The sudden prospect of thermonuclear war with the Soviet Union Senator McCarthy's vicious anticommunist crusade and the beginning of the Korean War all combined to dampen the public mood The Cold War invaded every home Rose maintains that 1950 was a pivotal year for the nation He argues that the convergence of Korea McCarthy and the bomb wounded the nation in ways from which we've never fully recovered Brimming with originality this book makes readers look at the Cold War from a dozen different angles Frommer's Walking Tours, Berlin Beth Reiber, 1993 12 routes with detailed maps **Ice and Cold Storage**, 1905 *THE SPY WHO CAME IN FROM THE COLD* JOHN LE CARRE, 1965 *Berlin* Ian Wallace, 1993 The Spy who Came in from the Cold John Le Carré, 1964 From the author of *THE HONOURABLE SCHOOLBOY TINKER TAILOR SOLDIER SPY* and *SMILEY'S PEOPLE* a thriller about an intelligence agent who has decided to put his life of espionage behind him but first there is one more dangerous assignment to accomplish **The Cold War U.S. Army** Ingo Tauschweizer, 2008 Focuses on the Seventh Army in West Germany the largest and best prepared field army ever deployed by the U S in peacetime to show how the U S army redefined its identity structure and mission in order to avoid obsolescence during the Cold War era of nuclear weapons and air power *The Party That Came Out of the Cold War* Franz Oswald, 2002-10-30 The Party of Democratic Socialism is wrongly stigmatized as polarizing German politics on the left In fact Oswald argues the PDS is East Germany's contribution to the regionalized pluralism of united Germany's party system Although initially marginalized as the successor of East Germany's SED the PDS legitimized itself by combining eastern regionalism a left socialist identity and political ambition The PDS has become an acceptable partner in center left parties in eastern state governments in stark contrast to its continuing irrelevance in West Germany While its earlier exclusion was justified by portraying the PDS as crypto communist the integration strategies of the late 1990s were supported by modernization theorists recognizing the party's contribution to the integration of post unification Germany An executive

summary of the first decade of post unification German politics Oswald s book offers a precise interpretation of the learning processes within the PDS It also provides a close analysis of the disputes within the PDS characterizing the party as a political subculture in which East Germans could come to terms with the ruptures of their history and their biographies while at the same time finding a role in the politics and society of united Germany **Cold Storage** ,1904 **Supreme Court Appellate Division-Third Department** ,1902 **Anderson's Travel Companion** Sarah Anderson,1995 For those who want to find out about and read the literature of the countries of their choice this reference is the author s personal selection covering guidebooks books about food history art and architecture religion outdoor activities illustrated books autobiographies and biographies no *Town Journal* ,1926 *Grain World* ,1904 **Cold Storage and Ice Trades Review** ,1930 **Stand Magazine** ,1990 **Cold War in Germany** Wilfred G. Burchett,1950
