

"I have a ballad in print, a ballad for them we are sure they are not."
— *Wife's Tale*—*Introduction*

Collections of broadside ballads "— ... suitable daughter, in which
only after a great deal of inchewing grubbing, one finds a very modern
poem."

"I may, however, hint at the difference, not always attended to,
between legendary poems and real imitations of the old ballad; the
reader will find specimens of both in the modern part of the
collection."

"There was never one of 'em sung perils all ye people then
recor'd' and ye has speak them of' darghills. They were made for
singing and not for reading, but ye has broken the chains now and
they'll never be song more. And the wiser thing of 'e, they're neither
right spell'd, nor right wrore down."

"Popular poetry cannot lose its value. Being founded on what is
permanent and universal in the heart of man, and now by passing
yet beyond the danger of perishing, it will survive the fluctuations of
taste, and may from time to time serve, as it has already done in England
and Germany a hundred years ago, to recall a literature from false and
artificial sources to nature and truth."
