*Buck Alice and the Actor-Robot* Walter Koenig, 2011-01-07 From a distant world the invaders came In their wake nearly all of the human population is disintegrated Now survivors both human and alien trudge through this wasteland Some are aimless others purposeful but all cling to survival and their own sanity unaware their fates are intertwined When Earth's champions gather is there hope for a better world No definitely not **Styx & Stone #3**, 2010 What started out as a murder investigation takes a turn for the strange or possibly stranger than usual In the third chapter of StormFronts horror series Detective Claire Sanchez finds herself in deep over her head as she comes face to face the Sphinx a powerful crime lord with ambiguous connections to one of the college victims Meanwhile on campus a double murder has Detective Mel Stone now frantic to track down the killer before they strike again but is he desperate enough to finally give in and listen to his own personal ghost sociopath James Wyatt Find out in the next exciting issue of Styx and Stone **Vincent Price Presents #28**, The diabolical schemes of Dr Phibes escalate to fiendishly greater heights as the clock ticks towards a new millennium Murders are one thing museums quite another but together they might just hold the clues to mysteries older than time to prevent the unfathomable conjuring of dark magic in this twilight age For Dr Anton Phibes this is all about love and he will do anything to see his dreams come true Absolutely anything *The Cain Prophecy (Lilitu Trilogy Book 3)* Toby Tate, 2015-11-10 Far out in the desert a superhuman assassin known only as Cain is using blood money to finance the excavation of an artifact as old as the earth itself CIA operative Gabrielle Gabe Lincoln has a very short time to learn the secret of Cain's power or soon the earth and everyone in it will be annihilated **The Everborn** Nicholas Grabowsky, 2012-04-01 Nicholas Grabowsky's award winning widely praised aliens among us horror science fiction epic available for the first time packaged and edited the way it was intended to be The Everborn concerns the offspring of fallen angels that have lived among us since the dawn of man Throughout the ages they live life after life in normal society until each one falls in love and fathers his own child Before that child is born they undergo a rapid degeneration into a fetal state before they disappear entirely and become reborn into a new life essentially becoming their own fathers All of them male they live out their commonplace lives under the covert protection of Watchmaids inter dimensional female beings whose purpose is to ensure no harm comes to them under penalty of banishment into a state of eternal loneliness When an Everborn is reborn as a set of twins one a soulless serial killer on a quest to be born again into a sinless life and the other a kind hearted ghostwriter for a world famous rock and roll horror novelist a banished Watchmaid claims her role in an ancient prophecy to use the soulless twin as a means to re enter our world and bring about its destruction **From the Torment of Dreams** Iain McKinnon, 2015-11-03 Lan Agstaff joined the army to escape from the memory of a failed love affair But on the way to his first posting in Neotra the suspended animation chamber malfunctions and instead of peaceful nothingness he dreams endlessly about his lost lover By the time Lan's ship gets to Neotra tensions have reached breaking point making all

out war virtually inevitable Will Lan be consumed by the flashbacks of his ex lover or can he recover from the torment of dreams

*Red Afterworld* Nicholas Grabowsky, 2014-03-26 All Dayton Monday wanted was to make a difference in this world But the world isn't what it used to be Global nuclear war has already begun The world is in chaos The water supply of major amusement parks has been tainted with LSD by terrorists But Dayton's neighbor Toad promises that if he joins his male biker fraternity the Brotherhood of the Black Heroes he can help make the world a better place Through his laborious initiation he discovers the frightening truth about the Black Heroes they represent all male vampires and he is about to become one of them Vampires are reckless and don't know sex or love are addicted to household cleaners and endless supplies of red meat and blood and despise females of their kind Just before the world ends the Second Coming happens but the returning savior is not what everyone expected it is Sam Hall a man hung for murder in the Old West who died for the world's sins That said crosses no longer protect against them Now any image of the Sam Hall hanging tree will do And then the nukes arrive What a way to end the world After the nukes hit Dayton finds himself one of the few survivors wandering the wasteland of the Arizona desert where survival seems to be the only meaning of life under an endless red tainted sky until he discovers a strange portal that leads to the barrel pond in the backyard patio of his home at a time just before his initiation a new hope of saving the world and true love Author's note Symbolism is only potent when it is given meaning NG RED AFTERWORLD is an important story for me infused with a multitude of important personal influences and themes It's where the name Black Bed Sheet comes from and incorporates my grade school delusion that I was a vampire myself and my own initiation over eighteen years ago into The Ancient Honorable Order of E Clampus Vitus a fraternity of rowdy charitable drinking men sprung from the Gold Rush days It's inspired by Johnny Cash and Harold Camping the evangelist who proclaimed the Second Coming a couple years ago and whom my parents are still devoted to It's also a response to the mental anarchy that's been going on in my head for years about how vampires are increasingly portrayed and marketed as dashing romantic teen lovers In RED AFTERWORLD they are in many ways a reinvention male and female vampires have despised each other and been feuding ever since the Countess Bathory Incident where Bathory was betrayed by the Black Hero of Hungary Count Ferency Nadasdy an event from which sprung all modern vampires and essentially a true story They know no romance sex or real happiness I particularly love the female vampire characters members of a defunct feminist band called Blamia Kiss and they kick ass especially Tricks Matrix In fact I think RED AFTERWORLD kicks ass I think it's like nothing you've ever read and you'll never think about vampires the same way again
