"Guglielmo was a great product UI / UX designer to work with. He was always a user-centric designer, consistently relying on evidence from usability tests, user research, user data and UX principles to drive his work.

The results were consistently great, balancing great visual design, user requirements and business requirements.

To round out his skills, he's very easy to work with. Down to earth, approachable and very receptive to feedback. I'd definitely work with Gug again and strongly recommend him."
