Berlin Bertie Howard Brenton,1995 *Berlin Bertie* Howard Brenton,1992-01-01 **Six Contemporary Dramatists** Duncan Wu,1996-12-18 A most illuminating study John Bayley *Six Contemporary Dramatists* explores in a straightforward manner the central concerns of six of the most important contemporary dramatists It demonstrates how the work of Alan Bennett Dennis Potter Simon Gray Howard Brenton David Hare and Alan Ayckbourn is essentially moral and relates their aspirations to the British romantic tradition of the last century At the same time Duncan Wu explores how each writer has responded to the changes that took place in personal and public ethics during the 1980s as a result of Thatcherism He also includes an interview with Alan Ayckbourn published here for the first time in which the volume s themes are focused and summarised For the paperback edition a substantial preface discussing Tom Stoppard s *Arcadia* David Hare s *Skylight* and David Edgar s *Pentecost* has been added This is an essential and readable guide to televised and theatrical drama for students and theatregoers alike *British Documents on the Origins of the War, 1898-1914: The testing of the entente, 1904-6* Great Britain. Foreign Office,1928 *The Contemporary Monologue: Men* Michael Earley,Philippa Keil,2016-04-15 The *Contemporary Monologue* is an exciting selection of speeches of all types serious and comic realistic and absurdist drawn from plays written by contemporary playwrights over the past ten years Updating the popular *Modern Monologues* this fresh collection of speeches represents the best American and English playwrights of today including Caryl Churchill Ariel Dorfman John Guare David Mamet Tony Kushner Stephen Sondheim and John Weidman Organized for maximum benefit to the actor gleaning for background material individual selections are introduced with a summary of the play s action up to the point the speech begins A brief sketch of the character is also given utilizing where possible the playwright s own words Finally a commentary follows each monologue alerting the actor to details in the speech that could help him her perform it better Some of the highlights of *The Contemporary Monologue for men* include selections from *Angels in America* by Tony Kushner *Frankie and Johnnie* in *the Clair de Lune* by Terrence McNally *States of Shock* by Sam Shepard and *Speed the Plow* by David Mamet Highlights of *The Contemporary Monologue for women* include selections from *The Contemporary Monologue* is an invaluable resource for acting classes competitions auditions and rehearsals It is an affordable and necessary tool for serious actors everywhere **Victoria, Queen of the Screen** Leigh Ehlers Telotte,2020-06-26 Both in life and death Queen Victoria is among the most popular monarchs to be committed to film Her reign was characterized by an explosion in media coverage that began to rely on images rather than words to tell her story Even though Victoria has been labeled the first media monarch the sheer magnitude of her screen presence has been neither chronicled nor fully appreciated until now This book examines the growth and evolution of Queen Victoria s on screen image From the satirical cartoons and silent films of the 19th century to the television shows video games and webcomics of the 21st it demonstrates how the protean Victoria character has evolved ultimately meaning many different things to many different people in many

different ways Each chapter looks at a facet of her character and includes analysis of how these media present Queen Victoria as a real person and shape her as a character acting within a narrative The book includes a comprehensive and international filmography Embassy Successes ,1946 **English Drama Since 1940** David Ian Rabey,2014-10-13 English Drama Since 1940 considers the bids of successive post war dramatists to find language and images of remorseless disclosure appropriate to the public manifestation of sensed crisis and the interrogation of the ideal of renewal This book introduces the period and its discourse whilst redefining them to give proper consideration to developments of themes styles concerns and contexts from the 80s to the present The book offers succinct and analytical introductions to the work of 60 dramatists whilst arguing for re appraisal of many dates critical perspectives in order to stimulate further argument in the field **British Documents on the Origins of the War, 1898-1914** Great Britain. Foreign Office,1928 **The Canadian Almanac and Miscellaneous Directory** ,1916 George V Jane Ridley,2022-01-04 From one of the most beloved and distinguished historians of the British monarchy here is a lively intimately detailed biography of a long overlooked king who reimagined the Crown in the aftermath of World War I and whose marriage to the regal Queen Mary was an epic partnership The grandfather of Queen Elizabeth II King George V reigned over the British Empire from 1910 to 1936 a period of unprecedented international turbulence Yet no one could deny that as a young man George seemed uninspired As his biographer Harold Nicolson famously put it he did nothing at all but kill animals and stick in stamps The contrast between him and his flamboyant hedonistic playboy father Edward VII could hardly have been greater However though it lasted only a quarter century George s reign was immensely consequential He faced a constitutional crisis the First World War the fall of thirteen European monarchies and the rise of Bolshevism The suffragette Emily Davison threw herself under his horse at the Derby he refused asylum to his cousin the Tsar Nicholas II during the Russian Revolution and he facilitated the first Labour government And as Jane Ridley shows the modern British monarchy would not exist without George he reinvented the institution allowing it to survive and thrive when its very existence seemed doomed The status of the British monarchy today she argues is due in large part to him How this supposedly limited man managed to steer the crown through so many perils and adapt an essentially Victorian institution to the twentieth century is a great story in itself But this book is also a riveting portrait of a royal marriage and family life Queen Mary played a pivotal role in the reign as well as being an important figure in her own right Under the couple s stewardship the crown emerged stronger than ever George V founded the modern monarchy and yet his disastrous quarrel with his eldest son the Duke of Windsor culminated in the existential crisis of the Abdication only months after his death Jane Ridley has had unprecedented access to the archives and for the first time is able to reassess in full the many myths associated with this crucial and dramatic time She brings us a royal family and world not long vanished and not so far from our own *The outbreak of war* Great Britain. Foreign Office,1926 Ballou's Monthly Magazine ,1881 **Modern British Drama: The Twentieth Century** Christopher

Innes,2002-11-28 Publisher Description **British Policy and the Weimar Republic, 1918-1919** Douglas Newton,1997
