**Big Boys Don't Cry** D.E. Bailey,2022-06-01 Big Boys Don t cry begins with the travail of that birth and then considers Bernard a man child whom this mother must raise without the footing of his father Ann Dunham Obama and Virginia Clinton Kelly were single mothers rising sons without a dad No doubt they have stories that bare a resemblance to this Statically our sons are at a disadvantage but providentially every man can rise as far as he aspires and so I invite you the reader to enter in the eb and flow of my kith and kin in anticipation of Bernard s Manifested destiny with all due respect to those who have gone before him One Child, Many Worlds Eve Gregory,2017-07-20 Originally published in 1997 By drawing on the experiences of children aged 3 to 8 attending schools in Britain Germany Iceland Australia and the USA the authors of these eleven case studies provide insights into what it means for young children to enter a new language and culture in school They look at the scope of out of school language and learning practices the role of care givers siblings and community language classes and go on to look at the ways in which the teacher can act as mediator of a new language and culture in school This book helps teachers develop culturally responsive teaching programmes based on an awareness of the knowledge children bring from home and the community The book will be of interest to early years and primary school teachers working in multilingual classrooms and students **Metamorphosis: A Collection of Stories** Propertius Press,2019-07-13 In this collection 26 stories chronicle deep metamorphosis where by a lesson a journey discoveries the confluence of ideas an accident or some other more esoteric circumstances we become more attuned to the connections and distances between the inner and outer worlds than perhaps we were at the beginning We grow wings take flight and start all over again
