Oh My Gosh, Virginia! Kay Grafe, 2010-04 My book doesn't have one plot like a novel Oh My Gosh Virginia has a whopping 100 plots This book is a collection of my columns over the past fifteen years Grin and Bare It means exactly what it says I have no secrets in my columns I call my writing essays or commentaries Each column has a series of facts combined with my opinions At times my writing is tongue in cheek which confused my mother in law She'd say Hon I think I like your stories but I don't understand them My writing goal in the monthly news magazine Today in Mississippi and the George County Times is to entertain and encourage people to lighten up A few stories are sentimental but the main thing is they are true life happenings You will most likely find yourself in many of the stories since I write about things we all have in common I frequently speak to civic organizations women's clubs bank socials country clubs and church groups Once I was introduced at a Methodist Church dinner in Columbia Mississippi and the president of the organization said Kay has come to make us laugh I'm not a comedian so that made me very nervous I call myself a humorist when I write or speak The difference in a comedian and a humorist is that a comedian tells one joke after another and in our day many of them are off color No thank you That's not me On the other hand a humorist writes about the fun side of life and in the process has an encouraging message to deliver I believe we need all the encouragement we can get I write some funny stories now and again but I don't call them jokes People like me I call incident prone Things just seem to happen to us A few months ago in my ladies Sunday School class I'd unbuttoned the top button of my suit skirt because it was tight after a few pound weight gain and it fell off when I stood up I froze in shock and stood at my chair like a statue Two helpful members grabbed my skirt and pulled it up for me My readers like pet stories travelogues memories current events that are fun and different and well just look in the Table of Contents for some other topics I stress a good attitude in stories and speeches though we're all faced with
