Bronze Claws:

What Is the Antichrist-Islam Connection? Roland L. Back, Michael Back, 2006-11-26 A scholarly study of the symbols in Daniel and Revelation specifically addressing what role the religion of Islam will play in the rise of the Antichrist **The Jewish Popes** Leon G. Van Wert, 2009-10 Will we ever see peace in the Middle East If so how will it come about Currently negotiations are in the works for the creation of an independent Palestinian State However it will be located in part of the land which Orthodox Jews believe was set aside by God exclusively for the Jews They contend that the Israelites under Moses covenanted with God never to let non Jews live in any part of the Promised Land They further believe that a breach of this sacred Covenant will lead to divine curses for the disobedient Jews including the conquest of Israel by her enemies and the deportation of the surviving Jews to foreign lands Dr Leon G van Wert now has written a new and exciting eschatological work which clearly shows that the creation of a new non Jewish Palestinian State within the boundaries of the Promised Land will bring us one pivotal step closer towards the End Times Using the Old Testament as his guide to interpreting the book of Revelation Dr van Wert has unlocked this mysterious book of the Bible When is the end The end is near says the author when after the creation of an independent State of Palestine the Cardinals elect two successive Jewish Popes **Exiled: Clan of the Claw** S. M. Stirling, Harry Turtledove, John Ringo, Jody Lynn Nye, 2011-08-01 First entry in a new series with three big all new linked novellas from multiple best sellers S M Stirling John Ringo Jody Lynn Nye and Harry Turtledove After the extinction asteroid DOESN T strike Earth the dinosaurs keep evolving but so do the mammals We mammals have achieved human like shapes but now it s cold blooded magic using reptiles against the hot blooded hot tempered descendants of cats In a heroic bronze age world similar to 300 the Mrem Clan of the Claw and its sister warbands are expanding their rough and tumble territory but now they face the Lishkash masters of a cold blooded empire of slave armies and magic It s mammalian courage and adaptation against reptile cunning in a clash of steel and will that will determine which line shall inherit the Earth At the publisher s request this title is sold without DRM Digital Rights Management **Daniel in the Preterists' Den** Thomas A. Howe, 2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist

interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole
