## **Buck Wild:**

Buck Wild Stephen Slivinski, 2006-08-13 Makes a compelling case that the best protection for individual rights and wallets in America rests in divided government The Denver Post This is a scathing look at how the Republican Party once the paragon of fiscal conservatism has embraced Big Government and become even more irresponsible with taxpayer money than the Democrats Rather than delivering an authoritative history of the GOP over the past twenty five years Buck Wild seeks to discover how the party of Reagan once guided by the promise of cutting government back to its core constitutional functions eventually lost its head If you fell into a coma in November of 1994 and woke up yesterday a lot of things might surprise you But nothing would baffle you more than what has happened to the Republican Party Stephen Slivinski can explain Buck Wild tells a painful story but it s honest and true and well worth reading Tucker Carlson host of FOX News Tucker Carlson Tonight Buck Wild does more than reveal what s wrong with the Republicans It reveals what s wrong with us the voters who put them in office Politicians are foxes But we insist on believing that some are guard dogs We elect them to watch the hen house and on the first Wednesday in November there s nothing left but feathers P J O Rourke 1 New York Times bestselling author During the course of Stephen Slivinski s superbly researched chronicle we meet some true conservative heroes from whom we can draw inspiration for the future James P Pinkerton White House domestic policy aide under Presidents Ronald Reagan and George H W Bush
