Buck - Fever**

## **Buck Fever:**

**Buck Fever** Mike Sajna, 1990 Every fall close to one million hunters enter Pennsylvania's forests and mountains in quest of the white-tailed deer. Some are seeking sport and companionship, others are stocking their larders for winter, many are conservationists who regard hunting as the most humane way of reducing overpopulated deer herds. They all face the increasing activism of animal rights advocates who are opposed to hunting in principle and who frequently picket and harass hunters. This controversial subject is explored in depth by Mike Sajna, the outdoors columnist for Pittsburgh Magazine and a twenty-year veteran of Pennsylvania's pumpkin army, the orange-clad throng that invades the woods every season. To explain the ethos and traditions of hunting, he takes the reader to a typical deer camp in Warren County in the rugged terrain of the Allegheny High Plateau. Starting with the trek north from their homes around Pittsburgh, he captures the sights and sounds, thoughts and feelings of three generations of hunters. With humor, affection, and insight, he recounts the hunting lore, the camaraderie, the physical testing that make deer camp a unique experience.

**Buck Fever** Ben Rehder, 2003-09-15 Blanco County, Texas. It's one week before the start of deer hunting season and everyone in town has come down with a case of Buck Fever. The fury begins with Red O'Brien and Billy Don Craddock, two drunken poachers who fire a shot in the direction of Blanco County's most important resident, a wide-eyed white-tailed deer named Buck who lives on the Circle S ranch. Now Buck is on the loose and no one knows where to find him, not Trey Sweeney, the man who took the bullet meant for Buck, albeit right in the flank of his own deer costume, not Tim Gray, the veterinarian who can't function very long without popping a few canine tranquilizers, and especially not Roy Swank, owner of the Circle S who wants desperately to find Buck for reasons no one can quite understand. Navigating all this turmoil is Blanco County Game Warden John Marlin, with a little help from his best friend Phil and a beautiful nurse named Becky who seems too good to be true. But when a dead body turns up, the real mystery in madcap Blanco County soon boils down to a single question: Just who is hunting whom?
