Budapest Arculatai:

Queer Budapest, 1873-1961 Anita Kurimay, 2020-10-10 By the dawn of the twentieth century Budapest was a burgeoning cosmopolitan metropolis Known at the time as the Pearl of the Danube it boasted some of Europe's most innovative architectural and cultural achievements and its growing middle class was committed to advancing the city's liberal politics and making it an intellectual and commercial crossroads between East and West In addition as historian Anita Kurimay reveals fin de siècle Budapest was also famous for its boisterous public sexual culture including a robust gay subculture Queer Budapest is the riveting story of nonnormative sexualities in Hungary as they were understood experienced and policed between the birth of the capital as a unified metropolis in 1873 and the decriminalization of male homosexual acts in 1961 Kurimay explores how and why a series of illiberal Hungarian regimes came to regulate but also tolerate and protect queer life She also explains how the precarious coexistence between the illiberal state and queer community ended abruptly at the close of World War II A stunning reappraisal of sexuality's political implications Queer Budapest recuperates queer communities as an integral part of Hungary's and Europe's modern incarnation Budapest arculatai Pál Granasztói, 1980

International Climate Protection Michael Palocz-Andresen, Dóra Szalay, András Gosztom, László Sípos, Tímea Taligás, 2019-05-18 This book explains the current climate protection processes and technologies and informs the readers of the limiting factors and opportunities for future development It represents the highest level of knowledge from leading scientists all over the world Original high quality figures maximize understanding of the text The book also introduces a new concept climatographic which provides a well pronounced solution to climate protection that is easily understandable for all levels of readers *Budapest* András Gerő, 1997 In this text Hungarian historians explore such subjects as the development of the original settlement of Budapest into a town the effects of transferring the university and state administration to Buda and Pest and the evolution of the capital into the country's cultural centre Budapest-A Central European Capital György Enyedi, Viktória Szirmai, 1992-07-14 The World Cities series offers up to date authoritative and challenging profiles of the world's main urban centres Each book blends urban history sociology ecology economics politics transport architecture and built environment into a fascinating portrayal of the contemporary urban scene The series covers the major world cities including the developed world metropolises as well as important cities in the Third World cities in socialist countries both industrial and Third World and classic cities like Vienna Some 35 volumes are planned for the series which will be concluded by a comparative volume In this lively and authoritative study the authors begin by tracing the historical development of Budapest over a 2000 year period covering its emergence as a key central European capital during the middle ages and subsequently as part of the powerful Austro-Hungarian empire in the late 19th early 20th century and more recently its changing geopolitical role following World War II Following the familiar World Cities series format the book then goes on to focus on key themes such as the role of geographical location in different stages of urban development including geopolitical

factors the Danube tourism etc environmental problems influences on architecture and urban planning demographic patterns and impact of industrialisation The book concludes by examining Budapest s long term master plan adopted in 1985 from the perspective of the various alternatives for its future social and political development Bibliographic Guide to Slavic, Baltic and Eurasian Studies 1994 Nypl,1995 *National Union Catalog* ,1978 Includes entries for maps and atlases
