A About Jesus:

365 Fascinating Facts about Jesus Robert Strand, 2000-03 From over 100 sources popular gift book author Robert Strand has compiled both common and little known facts about Jesus Christ The Jesus that Strand uncovers is definitely the Christ of the Gospels and the political cultural and religious times in which He lived are brought to life in this terrific book Read about the traditions that Jesus grew up with the historical facts about his birth death and resurrection and man s ideas about Him vs reality Great as a reference book or gift this collection of fascinating facts serves to illuminate God With Us

It's All About Jesus: It Was About Him. It Is About Him. It Will Always Be About Him. Asemokhai Yakubu, 2017-05-22 The truth about Jesus Christ is that He came to the earth to save us from sin But what else do we know about Christ and more importantly what else have we been taught Was Jesus Christ a man or deity or both Was Christ God incarnate or was he God s son a distinct individual And what is the significance of the body of Christ the church and the role of baptism in water for our salvation It s All About Jesus provides clarity and insight into these foundational questions about Christ the church and salvation Whether it is questions or beliefs about the nature of Christ the significance of being part of the body of Christ or how we worship and become new individuals in Christ believers are encouraged to test all things and hold fast to that which is true By searching the scriptures and rightly dividing the word of truth we can grow in our faith and have a clearer and more intimate relationship with the Lord for everything points to him **Jesus** W. Barnes Tatum, 2009-05-04 Drawing on examples from literature art and popular culture as well as theology this engaging book reveals the importance of the question whose was he in fully understanding the life and legacy of Jesus A concise accessible and engaging exploration of Jesus s life and enduring influence Charts the changing global status and influence of Jesus a Galilean Jew born when the ancient Roman Empire ruled the Mediterranean world and how he has come to be honored as the Christ and recognized by billions of people around the world Traces the reception history of Jesus and his story over the past two millennia through art literature and culture as well as theology Draws on a fascinating range of materials from ancient texts creeds and theological treatises to the visual and dramatic arts including books like The DaVinci Code and films such as The Passion of the Christ *Jesus Our Brother* Wilfrid J. Harrington, 2010 Much of what has been written about Jesus after New Testament times has taken little account of the vulnerable Jesus who died on a cross And yet the astounding truth at the heart of Christianity is that in the human Jesus we meet God The life of Jesus of Nazareth is the key to the meaning of Christianity In *Jesus Our Brother* noted Scripture scholar Wilfrid J Harrington offers an insightful and moving portrayal of the authentic humanity of Jesus of Nazareth that highlights Jesus characteristically human traits and sets them in their proper context his call to mission how he would have seen himself and been regarded by others his concerns his priorities the reaction of others to his person and to his vision What emerges is not the dour nineteenth century German Jesus of history nor the therapeutic nice guy Jesus beloved of our current age but a Palestinian Jew from an obscure Galilean village who

lived under the oppressive yoke of the Roman occupation a man who displayed marked concern for the vulnerable the despised the outcast and even sinners an unfailingly compassionate and loving prayerful and religious man whose unshakable faith in his God enabled him to withstand severe trials and temptations but a man not afraid to challenge the religious establishment when called for and who could become exasperated with opponents and disciples alike This Jesus is an appealing and a challenging figure an uncomfortable person to have around and Harrington s portrayal of him is based on sound penetrating biblical scholarship as well as on a deep understanding of and empathy with the human condition

Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels **Thinking About Jesus** John Foster Holman,2016-01-25 Too many people want to classify Jesus as someone he wasn't Jesus was either the Son of God or a madman There is however more evidence that he was the Son of God than there is evidence that anyone or anything exists on earth today Jesus made it clear to everyone that accepting him as Savior and Lord was the only way to achieve God's acceptance He said I am the way the truth and the light No one comes to the Father except through me In his book *Thinking about Jesus God's Attempt to Save Mankind* author John F Holman provides evidence that encourages people to think about Jesus and what he did and said while he was on earth With that knowledge in hand individuals are in a position to either accept him as Savior and Lord or
