## **A Subtle Armageddon:**

**A Subtle Armageddon** Charles Cosgriff, 2001-11-30 In the tradition of the great Christian apologists of the 20th Century A Subtle Armageddon confronts in allegorical form the real issues which face humanity every day Follow the last man on Earth as he learns who he really is and who he is truly meant to be A must for fans of C S Lewis and J R R Tolkien *In Armageddon's Shadow* Greg Marquis, 2000 The United States had important ties with Canada's Maritime Provinces that were profoundly shaken by the American Civil War Drawing extensively on newspaper reports personal papers and local histories Greg Marquis captures the drama of the times effectively putting the reader into the thick of the action In *Armageddon's Shadow* highlights Maritime support for the beleaguered Confederacy and the grave implications this had on race relations in Canada Marquis details the involvement of maritimers in running blockades and recounts the experiences of some of the thousands of men from Nova Scotia New Brunswick and Prince Edward Island who served in America's bloodiest conflict Book jacket [ARMAGEDDON'S SONG 6 ' SHAW - LT: USMC '](#) Andy Farman, 2016-04-13 The first of two prequels featuring Henry Shaw USMC Terry Jones CIA and Peter Dawnosh Royal Marine Commandos In the WW3 series Henry was Chairman of the Joint Chiefs Terry was Director of the CIA and Peter Dawnosh was Prime Minister of Great Britain but in 1963 they are in a place that few Americans had ever heard of Vietnam The country is under attack from the communist North but within its borders it is a cauldron of dissent due to corruption and religious persecution With surplus equipment and a shoe string budget US advisors are attempting to train and equip the South Vietnamese armed forces to defend themselves in order that the USA can withdraw Small unit actions firefights on jungle trails and The Alamo re enacted on a lonely hilltop far from home These are combined with a tale of political corruption and the murky world of espionage in 1960s SE Asia [A House Divided-7 Events Before Rapture & the Coming Christian Holocaust](#) Michael Johnson, 2004-11 Just as Jesus Christ promised a book that simplifies and clarifies the End Times prophecies is finally here A House Divided chronicles in easy to understand terms the ENTIRE End Times scenario including SEVEN easy to remember End Events After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible the author has been able to piece together the prophecies to form a single coherent picture of the End Times During the process of gathering together the prophecies the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events In The Revelation Chapter 10 John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders Although John heard the thunders and was about to write them down he was told to conceal them The author of A House Divided feels that he has uncovered what those seven thunders are By themselves the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book There are at least twenty COMPLETELY NEW interpretations of prophecy never before presented that are detailed in the book Many of the author's interpretations are as bold in its assertions as The Revelation is mysterious

Jews also will find this work especially intriguing In rather blunt terms the author exalts Jews while diminishing the importance of many religious social and political organizations of our day including organized Christian hierarchy and the Catholic Church The book uses a minimum of scriptural quotes and explains in everyday language and terms what Christians must know to prepare themselves for a terrible Christian holocaust in the future And the book has been formatted to appeal to the less educated Christian Formerly most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text translations and scholarly jargon A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works It omits diplomacy and gets straight to the point Without a doubt A House Divided is as profound in fresh and new End Times understanding in this day as The Revelation was in the day of John Do not miss this opportunity to know understand and REMEMBER what has eluded all of us to this day the final revealing of the mystery of God and the WHOLE End Times Truth

**The Astronaut** Dario Llinares,2011-05-25 The Astronaut Cultural Mythology and Idealised Masculinity interrogates the historical and cultural dynamics of one of the most revered icons of the 20th century Analysing a diverse range of cultural representations the book postulates the construction of an intertextual mythology through which the astronaut becomes an embodiment of American ideological values and heroic manhood The discursive processes at work in the range of media texts examined serve to embed the astronaut into the cultural imaginary as a largely coherent and uncontested exemplar of idealised masculinity Using a range of interdisciplinary analytical tools the book examines how the social construction of this masculine ideal iterates and naturalises gender hegemony The book situates the astronaut within the context of a modern postmodern theoretical framework linking shifts in gender perspectives to the contradictory narratives and characterisations that inform the mediation of the astronaut In so doing the book argues for a re evaluation of the often oversimplified use of the term hegemonic masculinity as an anchoring point for the critique of masculinity The strength of this work is its interdisciplinary diversity and its interconnection of a range of themes including gender representation history ideology the postmodern and the media Drawing upon contemporary theoretical debates while redeploying seminal theoretical texts the book offers new cultural interrogations of a highly familiar historical subject
