Stephen M. Krason

A Basic Course In Public International Law Research:

Research Methods in International Law Deplano, Rossana, Tsagourias, Nicholas, 2021-07-31 This timely Handbook contains a wide ranging overview of the diverse research methods used within international law Providing an insightful examination of how international legal knowledge is analysed and adopted this Handbook offers the reader a deeper understanding on the role and place of research methods in international legal theory reasoning and practice *Pluralising International Legal Scholarship* Rossana Deplano, 2019-12-27 This unique book examines the role non doctrinal research methods play in international legal research what do they add to the traditional doctrinal analysis of law and what do they neglect Focusing on empirical and socio legal methods it provides a critical evaluation of the breadth scope and limits of the representation of international law created by these often neglected methodologies

A Basic Course in Public International Law Research Anthony S. Winer, Mary Ann E. Archer, 2005 Each chapter introduces a distinct element of international law The first half of each chapter consists of two Parts an Introduction and Overview that describes the primary documents and a set of Reading Exercises guiding students in the careful study of these documents The second half of each chapter provides Guidance for Research describing the basic tools available for researching the area covered by that Chapter Finally Part Four of each Chapter contains a set of Research Problems

Legal Research and Education in Countries Throughout the World World Peace Through Law Center, 1965 Journal of the John Bassett Moore Society of International Law, 1960 **Calendar** London School of Economics and Political Science, 1930 *The Public Order and the Sacred Order: Contemporary Issues, Catholic Social Thought, and the Western and American Traditions* Stephen M. Krason, 2009-05-20 The Public Order and the Sacred Order evaluates a range of contemporary social and political questions in light of Catholic social teaching philosophy great political thinkers and America's founding tradition It treats a wide range of topics including economics education free speech abortion church state relations American legal trends international politics Through discussions of these and other issues confronting contemporary American society author Stephen M Krason offers a scholarly social commentary suggests means for a reconstruction of sound social and political thought and calls for a renewal of American institutions politics and culture The book is structured in three parts Part I sets out foundational principles guided by Catholic social teaching philosophical reasoning Western political thought and the American founding Part II examines and evaluates the numerous issues in light of the principles set out in Part I and Part III provides approaches to the issues both general and specific policy ideas consonant with the foundational principles set out in Part I There is also a volume of important Catholic Church documents Supreme Court cases and excerpts of important writings in the history of Western and American political thought that let the reader examine directly many documents discussed in the text of the book Along with being a strong and focused defense of traditional Catholic approaches to the questions of our time the vast array of material covered makes this book an invaluable reference for anyone interested in contemporary politics
