# A Ben Jonson Companion

**Dewey H. Brock**

## **A Ben Jonson Companion:**

A Ben Jonson Companion Dewey H. Brock, **The Cambridge Companion to Ben Jonson** Richard Harp, Stanley Stewart, 2000-11-30 Ben Jonson is in many ways the figure of greatest centrality to literary study of the Elizabethan and Jacobean period He wrote in virtually every literary genre in drama comedy tragedy and masque in poetry epigram epistle and lyric in prose literary criticism and English grammar He became the most visible poet of his age honored more than even William Shakespeare and his dramatic works in particular his major comedies continue to be performed today This Companion brings together leading scholars from both sides of the Atlantic to provide an accessible and up to date introduction to Jonson s life and works It represents an invaluable guide to current critical perspectives providing generous coverage not only of his plays but also his non dramatic works The volume is informed by the latest development in Jonson scholarship and will therefore appeal to scholars and teachers as well as newcomers to his work **A Ben Jonson**

**Companion** Dewey Heyward Brock, 1983 **A George Herbert Companion (Routledge Revivals)** Robert H. Ray, 2014-05-01 First published in 1995 this title provides the reader with a compendium of useful information for any reader of George Herbert to have at hand It includes key biographical information situates the poetry in its historical and cultural context and where appropriate explains theological concepts and traditions which have a direct bearing on the verse The aim throughout is to enhance understanding and appreciation without being exhaustive A George Herbert Companion will be of most use to general readers and undergraduate students coming to this poetry for the first time and will interest students of Anglican Caroline theology and hymnology **An Andrew Marvell Companion (Routledge Revivals)** Robert H.

Ray, 2014-05-01 First published in 1998 this title provides for the reader of the renowned metaphysical poet and politician a valuable reference and resource volume It is a compendium of useful information for any reader of Andrew Marvell including crucial biographical material historical contextualisation and details about his life s work The intention throughout is to enhance understanding and appreciation without being exhaustive The major portion of the volume in both importance and size is A Marvell Dictionary Its entries are arranged alphabetically they identify describe and explain the most influential persons in Marvell s life and works as well as places characters allusions ideas concepts individual words phrases and literary terms that are relevant to a rounded appreciation of his poetry and prose An Andrew Marvell Companion will prove invaluable for all students of English poetry and seventeenth century political history **A John Donne Companion**

**(Routledge Revivals)** Robert H. Ray, 2014-05-01 First published in 1990 this title provides a compendium of useful information for any reader of Donne to have at hand crucial biographical material historical contextualisation and details about his life s work The intention throughout is to enhance understanding and appreciation without being exhaustive The major portion of the volume in both importance and size is A Donne Dictionary Its entries are arranged alphabetically they identify describe and explain the most influential persons in Donne s life and works as well as places characters allusions

ideas concepts individual words phrases and literary terms that are relevant to a rounded appreciation of his poetry and prose A Jonne Donne Companion will prove invaluable for all students of English poetry and Anglican theology *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

**The Ben Jonson Encyclopedia** Dewey Heyward Brock, Maria Palacas,2016 Friend and rival of Shakespeare Ben Jonson was one of the most learned and interesting men of his age Throughout his fascinating life he served not only as a bricklayer but also a soldier an adventurer an actor a poet and a playwright The breadth of his experiences acquaintances friends and enemies was legendary and his literary canon is equally as diverse The Ben Jonson Encyclopedia covers in detail the works life and times of this seminal figure of the English Renaissance The cross referenced entries include summaries of all Jonson s plays masques and entertainments as well as sketches of Jonson s friends enemies patrons disciples actors and fellow writers In addition the book identifies historical figures mythological characters and classical authors as well as Jonson s contemporaries and London place names mentioned in the works Individuals who danced or participated in the masques and entertainments or tournaments for which Jonson wrote speeches are noted as are the main actors known to have acted in the plays All major scholars from Jonson s own day until the twenty first century who have commented on Jonson or his works are also included An extensive bibliography completes this invaluable scholarly reference tool Because of Jonson s centrality to and influence in and beyond his age this encyclopedia provides a dynamic unparalleled vision of the English Renaissance literary scene Capturing the depth and breadth of Jonson s understanding of early Modern England The Ben Jonson Encyclopedia will be especially useful for students librarians and academics interested in the literary and cultural scene from 1500 to 1650

**The Oxford History of Classical Reception in English Literature** Patrick Cheney, Philip Hardie,2015-10-29 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary

discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This second volume covers the years 1558 1660 and explores the reception of the ancient genres and authors in English Renaissance literature engaging with the major and many of the minor writers of the period including Shakespeare Marlowe Spenser and Jonson Separate chapters examine the Renaissance institutions and contexts which shape the reception of antiquity and an annotated bibliography provides substantial material for further reading

**Historical Dictionary of British Theatre** Darryll Grantley, 2013-10-10 British theatre has a greater tradition than any other having started all the way back in 1311 and still going strong today But that is too much for one book to cover so this volume deals with early theatre and has a cut off date in 1899 Still this is almost six centuries during which British theatre not only developed but produced some of the greatest playwrights of all time and anywhere including obviously Shakespeare but also Marlowe and Shaw And they wrote some of the finest plays ever which are known around the world So there is plenty for this book to cover just with the playwrights plays and actors but it also has information on stagecraft and theatres as well as the historical and political background This book has over 1 183 entries in the dictionary section these being mainly on playwrights and plays but others as well including managers and critics and also on specific theatres legislative acts and some technical jargon Then there are entries on the different genres from comedy to tragedy and everything in between Inevitably the chronology is quite long as it has a long period to cover and the introduction provides the necessary overview The Historical Dictionary of Early British Theatre concludes with a pretty massive bibliography That will be of use to particularly assiduous researchers but this book itself is a good place to start any research since it covers periods that are far less well known and documented and ordinary theatre goers will also find useful information

**Renaissance Earwitnesses** K. Botelho, 2009-12-21 Renaissance Earwitnesses examines how maintaining masculinity on the early modern stage is intimately tied to earwitnessing or a sense of judicious listening in his reading of plays by Marlowe Shakespeare Cary and Jonson

**The Elizabethan Sea-Dogs: A Chronicle of Drake and His Companions** William Wood, 1921

**The Bibliographer's Manual of English Literature Containing an Account of Rare, Curious, and Useful Books, Published in Or Relating to Great Britain and Ireland, from the Invention of Printing** William Thomas Lowndes, 1889
