Gurock, 2019-10-15 The eight decade story of a New York neighborhood In 1940 the Metropolitan Life Insurance Company opened a planned community in the East Bronx New York A model of what the neighborhood would become was first displayed to an excited public at the 1939 World s Fair Parkchester was celebrated as a city within a city offering many of the attractions and comforts of suburbia but without the transportation issues that plagued commuters who trekked into New York City every day This new neighborhood initially constituted a desirable alternative to inner city neighborhoods for white ethnic groups with the means to leave their Depression era homes In this bucolic environment within Gotham the Irish and Italian Catholics white Protestants and Jews lived together rather harmoniously In Parkchester Jeffrey S Gurock explains how and why a get along spirit prevailed in Parkchester and marked a turning point in ethnic relations in the city Gurock is also attuned to and documents fully the egregious side to the neighborhood s early history Until the late 1960s Parkchester was off limits to African Americans and Latinos He is also sensitive to the processes of integration that took place once the community was opened to all and explains why transition was made without significant turmoil and violence that marked integration in other parts of the city This eight decade history

takes Parkchester's tale up to the present day and indicates that while the neighborhood is today predominantly African American and Latino and home to immigrants from all over the world the spirit of conviviality still prevails on its East Bronx streets As a child of Parkchester himself Gurock couples his critical expertise as leading scholar of New York City's history with an insider's insight in producing a thoughtful nuanced understanding of ethnic and race relations in the city [A Bronx Tale 2](#) Ghost,2019-02-02 JAHMANI is rocked to the core after an enemy launches a vicious attack against someone close to his heart Could this lead to the downfall of the young animal Or will his savagery increase The streets are clapping at Jahmani from every angle The intent is to leave him dead in the dirt In the midst of the gunplay ARI captures his heart and leads him on the path of destruction Her grip on him seems destined to end with a graveyard ceremony Just when Jahmani's fate begins closing in on him MISTY enters the picture determined to save a boss from certain peril But some bonds are impossible to break especially when they're strengthened by the power of supreme P All hell breaks loose and the city will be rained on by the Tears of an Animal who could not be tamed in [A BRONX TALE 2](#) [Bronx Tale](#) ,1993 [New York Magazine](#) ,1993-10-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea [This Is Just Another Bronx Tale](#) C.
