A Century Of Sculpture The Nasher Collection:

A Century of Sculpture Steven A. Nash, Carmen Giménez, 1996 Surveying many of the most important sculptural developments of the past century this volume lavishly illustrates 136 works by 58 artists The works are taken from the renowned Patsy R and Raymond D Nasher Collection *A Century of Sculpture* Steven A. Nash, 2003 *The Evolution of the Nasher Collection* Nasher Museum of Art at Duke University, Sarah Schroth, 2005 The Evolution of the Nasher Collection is the catalog that accompanies the inaugural exhibition on view from October 2 2005 through May 21 2006 at the new Nasher Museum of Art at Duke University The exhibition draws from the collection of the museum's benefactor Raymond D Nasher and his late wife Patsy The Nashers built one of the world's major collections of twentieth century sculpture over the course of forty years The exhibition includes seminal works by Auguste Rodin Pablo Picasso Henri Matisse Alberto Giacometti Jean Dubuffet David Smith Henry Moore and others Before sculpture the Nashers collected ancient American art Guatemalan textiles contemporary prints and paintings by Jean Michel Basquiat and Andy Warhol Many of these works held in the Nashers private residence will be on public view and published in this full color catalog for the first time The book offers a new approach to viewing and thinking about the Nasher Collection concentrating not on the final finished product the greatest collection of modern sculpture in private hands but on the unfolding of the process of building that collection through time its chronological development from the early 1950s to the present In the history of any collection there is a narrative of evolution a beginning which includes a motivation followed by a process of change as the collector works out by experience and experimentation a personal approach to the gathering of objects of art In the case of the Nasher collection this personal approach is the result of a remarkable synergy between two individuals Raymond D Nasher and Patsy Nasher The essay by curator Sarah Schroth contextualizes the Nashers as collectors within the history of collecting practices in the United States in the second half of the twentieth century Publication of the Nasher Museum of Art at Duke University A Century of Modern Sculpture Steven A.
