Kirkland,2017-12 Excerpt from A Short History of France for Young People T is hard to realize as one travels now through fertile France and sees the well tilled fields noble cities and vineyards heavy with their purple fruit that it was once covered by tangled for ests whose only inhabitants were wild beasts and men nearly as savage as they Indeed one might almost have mistaken the man for the animal at a little dis tance for they both wore coverings of Skins and never combed their hair but when you saw the human being drinking out Of a cup formed

from the skull of his enemy then you knew he must be a man for wild beasts are not so revengeful The Old name for France was Gaul and the people who lived there before the time of Christ are supposed to have come from Central Asia and to have belonged to one of the fierce races called Celtic which Spread over the western part Of Europe before history begins About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *History of France* Charlotte Mary Yonge,1878
