

# A Small Town In Germany

**Clemens Wendtner**

## **A Small Town In Germany:**

A Small Town in Germany John le Carré,2013-03-05 From the New York Times bestselling author of A Legacy of Spies Haven't you realized that only appearances matter The British Embassy in Bonn is up in arms Her Majesty's financially troubled government is seeking admission to Europe's Common Market just as anti-British factions are rising to power in Germany Rioters are demanding reunification and the last thing the Crown can afford is a scandal Then Leo Harting an embassy nobody goes missing with a case full of confidential files London sends Alan Turner to control the damage but he soon realizes that neither side really wants Leo found alive Set against the threat of a German-Soviet alliance John le Carré's A Small Town in Germany is a superb chronicle of Cold War paranoia and political compromise With an introduction by the author

**A Small Town in Germany** John Le Carré,1969 British security officer Alan Turner battles radical German students and neo-Nazis after an embassy flack disappears from Bonn with dozens of top secret files Copyright Libri GmbH All rights reserved

British Spy Fiction and the End of Empire Sam Goodman,2015-06-05 The position of spy fiction is largely synonymous in popular culture with ideas of patriotism and national security with the spy himself indicative of the defence of British interests and the preservation of British power around the globe This book reveals a more complicated side to these assumptions than typically perceived arguing that the representation of space and power within spy fiction is more complex than commonly assumed Instead of the British spy tirelessly maintaining the integrity of Empire this volume illustrates how spy fiction contains disunities and disjunctions in its representation of space and the relationship between the individual and the state in an era of declining British power Focusing primarily on the work of Graham Greene Ian Fleming Len Deighton and John le Carré the volume brings a fresh methodological approach to the study of spy fiction and Cold War culture It presents close textual analysis within a framework of spatial and sovereign theory as a means of examining the cultural impact of decolonization and the shifting geopolitics of the Cold War Adopting a thematic approach to the analysis of space in spy fiction the text explores the reciprocal process by which contextual history intersects with literature throughout the period in question arguing that spy fiction is responsible for reflecting strengthening and in some cases precipitating cultural anxieties over decolonization and the end of Empire This study promises to be a welcome addition to the developing field of spy fiction criticism and popular culture studies Both engaging and original in its approach it will be important reading for students and academics engaged in the study of Cold War culture popular literature and the changing state of British identity over the course of the latter twentieth century
