Binding by Marianna Blau.

This is number 170 of 221.

A Soft Spring Night In Shillington

John Updike

A Soft Spring Night In Shillington:

A Soft Spring Night in Shillington John Updike, 1986 **The Cambridge Companion to John Updike** Stacey Olster, 2006-04-06 John Updike is one of the most prolific and important American authors of the contemporary period with an acclaimed body of work that spans half a century and is inspired by everything from American exceptionalism to American popular culture This Companion joins together a distinguished international team of contributors to address both the major themes in Updike's writing as well as the sources of controversy that Updike's writing has often provoked It traces the ways in which historical and cultural changes in the second half of the twentieth century have shaped not just Updike's reassessment of America's heritage but his reassessment of the literary devices by which that legacy is best portrayed With a chronology and bibliography of Updike's published writings this is the only guide students and scholars of Updike will need to understand this extraordinary writer [Selected Letters of John Updike](#) John Updike, 2025-10-21 The arc of literary giant John Updike's life emerges in these luminous daily letters to family friends editors and lovers a remarkable outpouring over six decades from his earliest consciousness as a writer to his final days As James Schiff writes in the introduction to this volume of the writer who would eventually express himself in written form as copiously and as elegantly as any American writer before him Updike needed to write the way the rest of us need to breathe or eat With his stunning rhetorical gifts enabling him to thrive in both short fiction and the novel criticism as well as poetry Updike was also a consummate letter writer When barely a teenager he began submitting poems and cartoons to national magazines and soliciting famous cartoonists with flattering requests for a drawing His letter writing only increased when he left the family farm in Pennsylvania for Harvard where he composed more than 150 witty substantive letters to his parents The summer after he graduated The New Yorker began accepting his work and his exchanges with editors publishers and writers would stretch into a correspondence that Schiff notes figures not as an adjunct to but rather an integral part of his astonishing literary output The intimacy and lucidity of these letters brings to the fore all manner of subjects and situations notably the ardent feelings for his first love and wife Mary and later the heartbreaking but honestly accounted breakup of their marriage the uncensored passion for other women including his Ipswich neighbor Martha who became his second wife the concern for his children's path to adulthood and the conversations with many literary peers from Joyce Carol Oates to Philip Roth as well as his Knopf and New Yorker editors critics translators and others in the lit business Filled with comic observations opinions and personal news told in the fluid first person voice of the writer himself these missives taken together create a page turning life in letters like no other *John Updike's Early Years* Jack De Bellis, 2013-01-11 John Updike's *Early Years* first examines his family then places him in the context of the Depression and World War II Relying upon interviews with former classmates the next chapters examine Updike's early life and leisure activities his athletic ability social leadership intellectual prowess comical pranks and his experience with girls Two chapters explore Updike's cartooning and drawing and the last

chapter explains how he modeled his characters on his schoolmates Lists of Updike s works treating Pennsylvania and a compilation of contributions to his school paper are included along with profiles of all students faculty and administrators during his years at Shillington High School *The John Updike Encyclopedia* Jack De Bellis,2000-09-30 John Updike is one of the most seminal American writers of the 20th century and one of the most prolific as well In addition to his best selling novels he has written numerous poems short stories reviews and essays His writing consistently reveals stylistic brilliance and through his engagement with America s moral and spiritual problems his works chronicle America s hopes and dreams failures and disappointments Though he is an enormously popular writer the complexity and elegance of his works have elicited growing scholarly attention Through several hundred alphabetically arranged entries this book provides both casual and serious readers an exceptional guide to his life and writings Whether the reader is seeking a novel summary an authoritative analysis of subjects elucidation of an allusion or a point about Updike s life or manner of composition the encyclopedia is indispensable A chronology summarizes the major events in Updike s career while an introductory essay examines his progress as a writer from his crafted light verse and informed reviews to his innovative novels and stories The entries that follow summarize Updike s books describe all major characters explain allusions identify major images and symbols analyze principal subjects discuss his life and career and draw on the most significant scholarship Entries include bibliographies and the volume closes with a list of works for further reading Self-Consciousness John Updike,2012-03-13 John Updike s memoirs consist of six Emersonian essays that together trace the inner shape of the life up to the age of fifty five of a relatively fortunate American male The author has attempted his foreword states to treat this life this massive datum which happens to be mine as a specimen life representative in its odd uniqueness of all the oddly unique lives in this world In the service of this metaphysical effort he has been hair raisingly honest matchlessly precise and self effacingly humorous He takes the reader beyond self consciousness and beyond self importance into sheer wonder at the miracle of existence

Imagination and Idealism in John Updike's Fiction Michial Farmer,2017 Frontcover Contents Acknowledgments Introduction Hawthorne Updike and the Immoral Imagination 1 John Updike and the Existentialist Imagination Part I The Mythic Immensity of the Parental Imagination 2 Flight His Mother Inside Him and Ace in the Hole 3 The Centaur 4 Of the Farm A Sandstone Farmhouse and The Cats Part II Collective Hallucination in the Adulterous Society 5 Man and Daughter in the Cold Giving Blood The Taste of Metal and Avec la B b Sitter 6 Marry Me 7 Couples and The Hillies Part III Imaginative Lust in the Scarlet Letter Trilogy 8 The Football Factory Toward Evening Incest Still Life Lifeguard Bech Swings and Three Illuminations in the Life of an American Author 9 A Month of Sundays 10 Roger s Version 11 S Part IV Female Power and the Female Imagination 12 Marching through Boston The Stare Report of Health Living with a Wife and Slippage 13 The Witches of Eastwick Part V The Remembering Imagination 14 In Football Season First Wives and Trolley Cars The Day of the Dying Rabbit Leaving Church Early and The Egg Race 15 Memories of the Ford Administration 16 The Dogwood Tree A Soft Spring
